

Annual Selection - 2011

New Plant Name	Light	Height	Color	Description	Flowerbed	Containers	Hanging Basket	Cut Flowers	Fragrant	Butterfly	Hummingbird	Deer Resistant
Aloe Collection	○		Assorted	A collection of ornamental aloe, in a variety of sizes and unusual colorful markings on the leaves, including white, pale green and orange.	✓	✓						
Acalypha Firetail Pendula Red	◐	4in	Scarlet Red	Eyecatching and unique plant. Also called Chenille plant. Flowers resemble long furry 'tails'.		✓	✓					
Agastache Acapulco Orange	○	16-18in	Orange	A beautiful orange flowered selection with citrus-scented foliage. Continuous bloom on compact plants. Drought tolerant and deer resistant! The plant grows as wide as it is tall and is small enough to plant toward the front of the perennial border. It's also a great container plant.	✓	✓		✓	✓	✓	✓	✓
Agastache Acapulco Red	○	14-20in	Red	A compact selection with fragrant, open spikes of tubular bright red flowers that appear from summer to fall. Upright stems are covered with lance-shaped, lemon-scented leaves. This low-maintenance, drought tolerant plant is an excellent choice for sunny mixed borders and hummingbird gardens and does well in containers.	✓	✓		✓	✓	✓	✓	✓
Alstromeria Ivana	○	12-15in	Hot Pink	Vividly colored and intricately marked Lily-like blooms are borne in large heads above bushy clumps of linear foliage.	✓	✓		✓				
Alstromeria Letizia	○	12-14in	Red	This Princess Lily is quick to flower and is full with a compact, rounded shape. Flowers are really red. Use for terrace, garden and balcony.	✓	✓		✓				
Alstromeria Oxana	○	12-15in	Deep Red	Princess Lily. Vividly colored and intricately marked Lily-like blooms are borne in large heads above bushy clumps of linear foliage.	✓	✓		✓				
Alstromeria Theresa	○	12-15in	Pink-Yellow	Theresa alstroemeria blooms remind one of summer popsicles, strawberry or perhaps a fruit blend, with colors that are almost lickable. Pink flowers with raspberry and yellow accents, deep green foliage and a dependably dwarf size makes this Princess Lily a popular choice.	✓	✓		✓				
Alternanthera Purple Threadleaf	○	14in		Shoestring thin reddish-purple foliage that deepens in color under full sun. Can take some shade. Compact habit.	✓	✓						

New Plant Name	Light	Height	Color	Description	Flowerbed	Containers	Hanging Basket	Cut Flowers	Fragrant	Butterfly	Hummingbird	Deer Resistant
Alyssum Clear Crystal Lavender Shades	○	6-10in	Lavender	Big-flowered series offers bigger plant size and better heat tolerance than standard alyssum. Superior performance in containers and landscapes. Unique lavender color is lighter under warm temperatures, especially nights.	✓	✓			✓	✓	✓	
Alyssum Clear Crystal Mix	○	6-10in	Mix	Big-flowered series offers bigger plant size and better heat tolerance than standard alyssum. Superior performance in containers and landscapes.	✓	✓			✓	✓	✓	
Alyssum Clear Crystal Purple Shades	○	6-10in	Purple	Big-flowered series offers bigger plant size and better heat tolerance than standard alyssum. Superior performance in containers and landscapes.	✓	✓			✓	✓	✓	
Alyssum Clear Crystal White	○	6-10in	White	Big-flowered series offers bigger plant size and better heat tolerance than standard alyssum. Superior performance in containers and landscapes.	✓	✓			✓	✓	✓	
Amaranthus Illumination	○	2-3ft	Red	A real show plant. Also known as the "Summer Poinsettia". Orange/scarlet flowers set against wide bronze leaves.	✓	✓						
Amaranthus Love Lies Bleeding	○	36-48in	Red	This heirloom variety will make a beautiful statement in your garden or as a container plant. With lovely light green, thick foliage, this plant becomes loaded with deep red pendant plumes that can reach up to 2 feet long. Blooms from mid-summer right to frost. They are great for drying and also make an impressive fresh-cut flower.	✓	✓						
Amaranthus Perfecta	○●	36in	Green-Red	Vivid rich red, yellow and green foliage makes this specimen a very eye-catching plant. A vigorous grower, it will reach a height of about three feet, making them ideal as a temporary shrub or even hedge. The flowers are excellent for cutting or drying.	✓	✓		✓				
Anagallis Angie Blue	○	14-16in	Purple	This anagallis displays vivid deep blue blooms on an upright plant habit. Angie has excellent heat tolerance so it works well in ground beds, containers, and combination plantings.	✓	✓	✓					

New Plant Name	Light	Height	Color	Description	Flowerbed	Containers	Hanging Basket	Cut Flowers	Fragrant	Butterfly	Hummingbird	Deer Resistant
 Angelonia Zebra	○●	20in	Purple/Red	Zebra's exotic appearance is reflective of its native habitat in tropical South America. It's fuchsia-pink flowers with purple stripes down the petal are sure to brighten any bed or large container. Zebra has a long blooming season, so that you may enjoy this upright, brightly colored plant well into the fall.	✓	✓		✓			✓	
Angelonia Angelface Blue	○●	12-16in	Blue Shades	Displaying gorgeous blue, snapdragon-like flowers, Angelface Blue can be planted in full sun to partial shade, in beds or containers, preferring moist well drained soil... that's not constantly soggy. Angelface Blue grows excellent in containers. Plant them in either the rear or center of the container surrounded by smaller plants. Flowering well into fall, they are excellent for cutting... lasting up to 10 days.	✓	✓		✓			✓	
Argyranthemum Butterfly	○	18-36in	Bright Yellow	Spectacular daisy-like flowers all season; excellent garden performance. Heat tolerant, dead head regularly.	✓	✓	✓					
Argyranthemum Reflections Pink	○	12-16in	Pink	Single pink flowers with a darker pink ring and a brown eye. Good heat tolerance. Reflection Pink is great in patio planters or as a border plant. Extend the bloom time by deadheading spent flowers. Named Best Argyranthemum of 2008 in the trials at Colorado State University in Fort Collins.	✓	✓	✓			✓		
Asparagus Sprengeri	○	12-24in		Delicate ferny leaves; bright green branches give an arching or cascading appearance. Great filler for bouquets.		✓	✓					✓
Baby Tears	●	6in		A moss-like creeper with minute, delicate foliage. House plant.		✓						
Bacopa Giga White	○	4-6in	White	Giga is a very large, white flowering Bacopa which makes a bold statement in combination containers.	✓	✓	✓					✓
Bacopa Great Pink Ring	○	4-6in	Light Pink	Light pastel pink flowers with purple eye.	✓	✓	✓					✓
Bacopa Great Rose	○●	6in	Pink	Large, dark pink flowers with beautiful green foliage. Semi-trailing habit and medium growing intensity.	✓	✓	✓					✓
Bacopa Gulliver Blue Sensation	○		Blue	Pale sky blue, extra large blooms. medium vigor, semi-trailing, early flowering.	✓	✓	✓					✓

New Plant Name	Light	Height	Color	Description	Flowerbed	Containers	Hanging Basket	Cut Flowers	Fragrant	Butterfly	Hummingbird	Deer Resistant
Bacopa Gulliver White	○	4in	White	A vigorous, mat-forming variety with long spreading stems bearing large, pure white flowers in summer to early autumn; important to not let dry out.	✓	✓	✓					✓
 Begonia Big Red with Bronze Leaf	○●	20in	Red	At home in full sun or partial shade, in beds or containers, and by itself or combined with annuals and perennials, Big Red with Bronze Leaf flowers early and often. It's part Angelwing Begonia and part Fibrous Begonia, with an arching, upright habit and well-branched stems that hold large, 2-3 inch blooms above the leaves. An absolute knockout for summer color, and you'll want to bring this one indoors for the winter, too.	✓	✓	✓					
 Begonia Bonfire Choc Red	○●	20in	Bright Orange	Bonfire Choc Red has an eye-catching profusion of exotic bright red-orange flowers covering the plant. It features interesting chocolate-plum foliage with serrated edges highlighted by a red margin, and offers a neat, bushy growth habit. Ideal for patio pots, hanging baskets and window boxes.	✓	✓	✓					
Begonia Dell'Arte Afterglow	●	8-12in	Coral-Orange	This exceptional Begonia series provides abundant flowers throughout the season. Beautiful trailing habit is perfect for baskets and combinations.	✓	✓	✓					
Begonia Dell'Arte Pynken	●	8-12in	Coral Pink	This exceptional Begonia series provides abundant flowers throughout the season. Beautiful trailing habit is perfect for baskets and combinations.	✓	✓	✓					
Begonia Dell'Arte Rouge	●	8-12in	Deep Red	Non-stop, deep red semi-double flowers and great trailing habit make ideal hanging baskets.	✓	✓	✓					
Begonia Fib. Dragon Wings	○●	12-15in	Red	Dragon Wings are a cross between Angel Wing and Wax begonias. Dragon Wing has glossy green large leaves. The red flower panicles form near the tip of each branch and are shed naturally as new ones are produced, so the plants always look neat. Use Dragon Wing Begonias as the focus of stunning mixed or solo containers and hanging baskets.	✓	✓	✓					
Begonia Fib. Nightlife Mix	○	8in	Mix	Large vibrant flowers create a striking contrast to the deep bronze leaves. Mixture of deep rose, pink, red, rose, and white.	✓	✓						
 Begonia Fib. Nightlife Red			Red									

New Plant Name	Light	Height	Color	Description	Flowerbed	Containers	Hanging Basket	Cut Flowers	Fragrant	Butterfly	Hummingbird	Deer Resistant
Begonia Fib. Super Olympia Red	○	6-8in	Red	Early blooming fibrous begonias produces .75" red flowers on green foliage.	✓	✓	✓					
Begonia Fib. Super Olympia White	○	6-8in	White	These plants are the best green foliage begonia in full sun if planted and established early before the heat of the summer sets in. The foliage will turn red in full sun. They do well in beds, as a border, in baskets and in pots. Do not water during the heat of the day, as this can burn the foliage.	✓	✓	✓					
 Begonia Gryphon	○●	14-16in		Gryphon is a rex type begonia with shimmering, silvery black foliage that is elegant in the garden or living room window. This superb foliage begonia combines majestic beauty with strength and durability. The showy plants deliver enough "WOW" to make a dramatic garden statement in mixed or solo containers. Tolerates shade to partial shade and drying conditions for great success in many locations. It's the perfect companion to Dragon Wing begonia, Kong coleus, Super Elfin and Impreza impatiens, and New Guinea impatiens.		✓						
Begonia Hiemalis Blitz	●	10-12in	Yellow	Masses of clear bright yellow blooms on compact, bushy plants.	✓	✓	✓					
Begonia Hiemalis Borias	●	10-12in	Pink	Bi-color light pink to dark pink center blooms pretty much year-round. Bushy plants with masses of large fully double flowers. They thrive in bright, filtered light and lower humidity than most tuberous types. Easy to over winter.	✓	✓	✓					
Begonia Hiemalis Carneval	●	10-12in	Orange-Yellow	Masses of scarlet and yellow, double blooms on compact, bushy plants which resemble a cross between a wax begonia and a tuberous variety.	✓	✓	✓					
Begonia Rex	●	10-14in	Mixed Varieties	Foliage offers many different colors and shapes. Keep these begonias on the dry side, especially during the winter months and they will perform beautifully for years.	✓	✓						✓
 Begonia Rex Dark Mambo	●	8in		Beautiful foliage adds interest to shade combinations.	✓	✓						
Begonia Rex Escargot	●	6-12in	Pink	Escargot gets its name from the unique way that the leaf curls in on itself, creating a spiral effect that resembles the shell of a snail. The deeply spiraled leaves are marked in bands of silver and green. Its flowers are a rosy-pink color.		✓						

New Plant Name	Light	Height	Color	Description	Flowerbed	Containers	Hanging Basket	Cut Flowers	Fragrant	Butterfly	Hummingbird	Deer Resistant
 Begonia Rex Red Kiss	●	6in		Striking, bright red leaves with dark centers and edges, create a stunning display in any shade garden or container. Use indoors or outdoors in hanging baskets, containers or beds, alone or mixed with other shade-loving plants.	✓	✓						
 Begonia Rex Salsa	●	8in		Silvery-green leaf with deep purple center and dark green edges and veining.	✓	✓						
Begonia Rex Savannah Bay	●◐	10in		Foliage has distinctive silver with pink variegation and green veining.		✓						
 Begonia Solenia Light Yellow	○◐	8-12in	Creamy Yellow	Solenia Light Yellow features full, creamy yellow blooms measuring 3" wide with glossy foliage. It produces showy flower displays in both sun and shade. Solenia begonias are heat tolerant and mildew resistant. They can be grown indoors, in patio pots, hanging baskets, and in garden landscapes.	✓	✓	✓					
 Begonia Solenia Orange	○◐	10-12in	Orange	Solenia Orange is characterized by its numerous large and attractive orange, fully double flowers. Solenia begonias are more tolerant of full sun than other begonias. Their succulent, glossy, dark green leaves show off the brightness of their flowers. Grow in mixed borders, containers or hanging baskets.	✓	✓	✓					
 Begonia Solenia Red	○◐	10-12in	Red	Solenia Red features abundantly full double blooms measuring 3" wide. Blooming from spring to frost, Solenia begonias are more tolerant of full sun than other begonias. Their succulent, glossy, dark green leaves show off the brightness of their flowers. Grow in hanging baskets, window boxes, patio pots, or in the landscape. Can also be brought indoors for the winter.	✓	✓	✓					
Begonia Tub. Illumination Apricot	●	24in	Apricot	Stunning begonia produce large 4 inch double blooms in an eye-catching shades. Displaying a graceful trailing habit, plants are multi-branched with bright green foliage which contrasts well with the vivid blooms. Flowers open in abundance throughout summers heat and humidity and continue right up to fall. An elegant and beautiful plant that is ideal for baskets and containers.		✓	✓					

New Plant Name	Light	Height	Color	Description	Flowerbed	Containers	Hanging Basket	Cut Flowers	Fragrant	Butterfly	Hummingbird	Deer Resistant
 Begonia Tub. Illumination Golden Picotee	●●	3-8in	Salmon-Coral	Illumination Golden Picotee features, showy 2-3 inch semi-double and fully double blooms in designer shades of salmon, coral, gold and orange. The dramatic cascading plants are heat tolerant and easy to grow. One of the very best tuberous begonias for hanging baskets where they can trail up to 3 feet, and spread 12-15 inches across.		✓	✓					
Begonia Tub. Illumination Orange	●	24in	Orange	Stunning begonia produce large 4 inch double blooms in an eye-catching shades. Displaying a graceful trailing habit, plants are multi-branched with bright green foliage which contrasts well with the vivid blooms. Flowers open in abundance throughout summers heat and humidity and continue right up to fall. An elegant and beautiful plant that is ideal for baskets and containers.		✓	✓					
Begonia Tub. Illumination Salmon Pink	●●			Stunning begonia produce large 4 inch double blooms in an eye-catching shades. Displaying a graceful trailing habit, plants are multi-branched with bright green foliage which contrasts well with the vivid blooms. Flowers open in abundance throughout summers heat and humidity and continue right up to fall. An elegant and beautiful plant that is ideal for baskets and containers.		✓	✓					
Begonia Tub. Illumination Scarlet	●	8-12in	Scarlet Red	True cascading habit with an abundance of large double flowers that spill over in a spectacular display of color.		✓	✓					
 Begonia Tub. Non Stop Appleblossom	●●	6-12in	White	This large, upright plant will flower freely all summer, with double and semi-double blooms that are white with a touch of soft pink. The delicate looking blossoms measure up to 4.5" in diameter.	✓	✓	✓					
Begonia Tub. Non Stop Apricot	●	12in	Apricot	A continuous parade of gorgeous sparkling color for your garden and planters all summer long, right up to the frosts of fall.	✓	✓	✓					
Begonia Tub. Non Stop Deep Red	●	8in	Deep Red	A continuous parade of gorgeous sparkling color for your garden and planters all summer long, right up to the frosts of fall.	✓	✓	✓					
Begonia Tub. Non Stop Fire	●	8-12in	Yellow-Orange	Blooms continuously in partial shade from May to October. Its large flowers are a mass of swirling petals with hot orange centers and fiery red borders. Versatile and easy to grow.	✓	✓	✓					

New Plant Name	Light	Height	Color	Description	Flowerbed	Containers	Hanging Basket	Cut Flowers	Fragrant	Butterfly	Hummingbird	Deer Resistant
Begonia Tub. Non Stop Mocca Pink Shades	☉	8-12in	Light Pink	Serrated, deep chocolate foliage with bright green veining peeks out below large 4-5", perfectly formed bright pink blooms. The color combination is electrifying. Lovely in a small garden bed, in individual specimen containers or in combination planters.	✓	✓	✓					
Begonia Tub. Non Stop Mocca Yellow	☉	8-12in	Yellow	Fully double, yellow flowers are especially showy against dark chocolate foliage.	✓	✓	✓					
Begonia Tub. Non Stop Pink	☉	8in	Pink	Double pink, long lasting, showy flowers bloom continuously until frost.	✓	✓	✓					
Bells Of Ireland (moluccella Laevis)	☉	2-3ft	White	Tall spikes of bright green bells with tiny white fragrant 'clappers' are always a conversation piece. Perfect for the back of the border, or as a cut or dried flower. Flowers turn a straw color when dried.	✓	✓		✓	✓	✓		
🌸 Bidens Marietta Gold Spark	☉	8-12in	Yellow	Marietta Gold Spark has a highly compact habit and flowers heavily and continuously all season. Heat-loving with dense, ferny, rich green foliage. From early summer to fall it becomes adorned with a colorful display of many golden yellow daisies. These are attractive to bees and butterflies and require little deadheading.	✓	✓	✓			✓		
🌸 Bougainvillea Oo-La-La		18in	Magenta	Vibrant, magenta-red flowers bloom longer than most bougainvilleas. Compact, dwarf form wonderful for cascading hanging baskets or as a spreading groundcover.	✓	✓	✓					
🌸 Bougainvillea Purple Queen	☉	15ft	Deep Purple	Rich, deep purple bracts are displayed against handsome deep green foliage. Compact, upright, spreading form. Wonderful for planter boxes, fence or arbor.	✓	✓	✓					
🌸 Bracteantha Dreamtime Jumbo Red Ember	☉	10-12in	Red-Orange	An abundance of eye-catching bi-color blooms have a papery feeling that appeals to kids of all ages. More controlled and mounded than other strawflowers. Use these low growing plants to color your containers and garden from early spring through fall.	✓	✓		✓				
Browallia Blue Bell	☉	8-12in	Lavender-Blue	Beautiful star shaped flowers bloom profusely on long blooming, neatly mounded plants.	✓	✓						

New Plant Name	Light	Height	Color	Description	Flowerbed	Containers	Hanging Basket	Cut Flowers	Fragrant	Butterfly	Hummingbird	Deer Resistant
Browallia Endless Illumination	●●	10-14in	Lavender	This strong grower creates a bounty of 1-2 inch brilliant star-shaped flowers atop medium green foliage. Although Endless Illumination likes shade/part shade areas, they thrive in hot conditions and last late into the season. Endless Illumination boasts dark blue flowers with a white center. This is also a new Proven Selection for 2009.	✓	✓	✓					
Brugmansia Inca Sun	○	3-4ft	Yellow	Award winning Angels Trumpet. Blooms continuously.	✓	✓			✓			
 Cactus Bunny Ears	○	3ft	Yellow	Opuntia microdasys, or polka-dot prickly pear cactus, is shaped like bunny ears, with polka dots, or tufts, of tiny, very sharp needles. These detach very easily on being touched, and can cause considerable skin irritation, so the plants must be treated with caution. The tufts are white or red in color. Flowers are normally yellow with brilliant red centers. Easily grown in containers.	✓	✓						✓
 Calibrachoa Cabaret Deep Blue	○●	6-10in	Blue	An abundance of deep blue blooms cover these well-branched, trailing plants. They are self-cleaning so they stay neat and tidy all season.	✓	✓	✓			✓	✓	
 Calibrachoa Cabaret Hot Pink	○●	6-10in	Pink	This well-branch, mounded and trailing plant has abundant, show-stopping hot pink blooms all season.	✓	✓	✓			✓	✓	
 Calibrachoa Cabaret Red Improved	○●	6-10in	Red	Velvet red flowers cover Cabaret Red throughout the growing season. This vigorous bedding annual has a pleasing mounding/trailing habit making it perfect for baskets, border edges and containers.	✓	✓	✓			✓	✓	
 Calibrachoa Cabaret Yellow	○●	6-10in	Yellow	Uniform and dark green-leafed, Cabaret is a great choice for pots, baskets and planters, producing well-branched, mounded and trailing plants with full centers and abundant blooms.	✓	✓	✓			✓	✓	
Calibrachoa Noa Blue Legend	○●	8in	Blue	Calibrachoa Noa Blue Legend has medium-blue flowers. It's a low-maintenance flower that has a very good trailing habit. A great choice for hanging baskets, window boxes, containers, and garden borders in sunny locations.	✓	✓	✓			✓	✓	
Calibrachoa Noa Dark Pink Carnival	○●	6-10in	Hot Pink	The first of its kind, combines a very unusual pure white center with a shimmering hot pink flower. Reliable and continuous blooming.	✓	✓	✓			✓	✓	

New Plant Name	Light	Height	Color	Description	Flowerbed	Containers	Hanging Basket	Cut Flowers	Fragrant	Butterfly	Hummingbird	Deer Resistant
Calibrachoa Noa Magenta	○●	8in	Purple-Pink	These large, magenta colored flowers will add brilliant color to any flower arrangement. It has a vigorous growing intensity and a trailing habit.	✓	✓	✓			✓	✓	
Calibrachoa Noa Red	○●	8in	Red	Medium-red flowers with good trailing habit and perfectly suited for hanging baskets, window boxes, containers, and garden borders in sunny locations.	✓	✓	✓			✓	✓	
☼ Calibrachoa Noa Sunrise	○●	8in	Yellow-Red	Dark yellow with red center. It is strongly branched with a compact trailing growth habit.	✓	✓	✓			✓	✓	
☼ Calibrachoa Noa Ultra Purple	○●	8in	Purple	Ultra Purple has medium, blue flowers that will draw in on-lookers. Ultra Purple has medium, blue flowers that will draw in on-lookers. It also has a medium growing intensity and trailing habit making it great for hanging baskets and window boxes.	✓	✓	✓			✓	✓	
Calibrachoa Noa White	○●	8in	White	Medium white flowers add a clean, neutral color to any arrangement. Low maintenance and a medium growing intensity with a trailing habit, makes them perfect for growing in containers and hanging baskets.	✓	✓				✓	✓	
Calibrachoa Noa Yellow	○●	6-12in	Dark Yellow	Medium, bright yellow flowers with beautiful, green, trailing foliage. It has a medium growing intensity that makes it perfect for containers and window boxes.	✓	✓	✓			✓	✓	
☼ Calibrachoa Polar Pink	○●	6-10in	White-Pink	Showy white blooms have bright pink centers and veins. The compact, mounding habit makes these favorites for hanging baskets and combination planters.	✓	✓	✓			✓	✓	
☼ Calibrachoa Superbells Blackberry Punch	○●	8-14in	Violet-Purple	A unique color combination - violet-purple flower edges surround a large, shimmering, inky-black center, with just a hint of yellow deep in the throat. The plant is mounded-trailing and rather vigorous. It is best placed in a spot where it can be viewed up close.	✓	✓	✓			✓	✓	
Calibrachoa Superbells Blue	○●	6-10in	Blue-Purple	This vigorous fast growing plant produces hundreds of vividly colored blue flowers that bloom from spring until first frost. The series is bred for heat and low water tolerance. Self-cleaning.	✓	✓	✓			✓	✓	
☼ Calibrachoa Superbells Dreamsicle	○●	6-10in	Orange	This vigorous fast growing plant produces hundreds of vividly orange colored flowers that bloom beautifully all season.	✓	✓	✓			✓	✓	

New Plant Name	Light	Height	Color	Description	Flowerbed	Containers	Hanging Basket	Cut Flowers	Fragrant	Butterfly	Hummingbird	Deer Resistant
Calibrachoa Superbells Pink	○●	6-10in	Bright Pink	This vigorous fast growing plant produces hundreds of bright pink flowers with a dark center and throat, that bloom from spring until first frost. The series is bred for heat and low water tolerance. Self-cleaning.	✓	✓	✓			✓	✓	
Calibrachoa Superbells Plum	○●	6-10in	Purple-Blue	The rich purple blooms of this variety are stunning both in the landscape and container plantings.	✓	✓	✓			✓	✓	
Calibrachoa Superbells Tickled Pink	○●	6-10in	Pink	Small pale pink petunia-like flowers, with deeper pink throat.	✓	✓	✓			✓	✓	
Calibrachoa Superbells White	○●	6-10in	White	Hundreds of small bright white petunia-like flowers; self cleaning.	✓	✓	✓			✓	✓	
Calibrachoa Superbells Yellow	○●	6-10in	Yellow	Superbells Yellow produces an abundance of small, petunia-like flowers all season on cascading growth.	✓	✓				✓	✓	
Calibrachoa Superbells Yellow Chiffon	○●	6-10in	Medium Yellow	Very floriferous plant with creamy yellow trumpet-shaped blooms.	✓	✓	✓			✓	✓	
☘ Canna Tropical Red	○	2-3ft	Red	Tropical Red features tropical foliage and huge 3 to 4-inch firey-scarlet blooms on a dwarf 2 1/2-foot plant. Compact enough to grow in a container. Ideal for small water gardens!	✓	✓						
Carnivorous Venus Fly Trap	○			Looking like a cluster of bear traps, the Venus Flytrap lies in wait for its victims. Insects are attracted by a sweet nectar inside the trap. Each plant is packaged in a miniature terrarium with colorful and fun cartoon plant characters as well as simple and easy care instructions.								
Cassia Popcorn	○	3-4ft	Yellow	Called Popcorn Cassia, because it smells like fresh cooked, buttered popcorn when you run your fingers through the leaves. It blooms beautiful large clusters of sunny yellow flowers. Fast growing, gorgeous foliage, luscious black buds & showy bright yellow flowers make this native legume of east Africa a valuable garden accent.	✓	✓				✓		
Celosia Fashion Look Mix	○	12-14in	Mix	A mix of gold, orange, red & yellow plumes with contrasting green and bronze leaves create a showy display.	✓	✓		✓				
Celosia Jewel Box Mix	○	6-8in	Mix	Green and bronze leaves offset richly-colored flowers in shades of red, yellow, orange, deep salmon and carmine on compact plants.	✓	✓		✓				

New Plant Name	Light	Height	Color	Description	Flowerbed	Containers	Hanging Basket	Cut Flowers	Fragrant	Butterfly	Hummingbird	Deer Resistant
Celosia Smart Look Red	○	12-14in	Red	A dark-leaved celosia. Compact and well branched plants, crowned with an abundance of neon-red plumes. Foliage is deep bronze.	✓	✓					✓	✓
 Chrysocephalum Moxie Gold	○	12-16in	Yellow	Large, bright gold flowers sit atop well-branched, robust gray foliage. Great in beds, along walkways, mixed containers and on patios.	✓	✓				✓	✓	✓
Citrus Meyer Lemon	○	8-10ft	White	Excellent foliage is displayed on this medium to large shrub or small tree. Fragrant flowers produce thin skinned, juicy lemons. Moderate growing to 8-10 feet, smaller in containers.	✓	✓			✓			
Cleome Queens Mix	○	4-5ft	Mix	Tall sturdy stalks feature a gorgeous ball of spiked and waving stamen which resembles a sparkler in blush hues of pink, plum, purple & white.	✓				✓	✓	✓	✓
Cleome Senorita Rosalita	○	24-36in	Pink	Lavish dark green foliage creates a dramatic backdrop for the vivid pink blooms. This heat and drought tolerant plant adds dramatic height to landscape beds; sterile flowers, and thornless, stickless, odorless foliage adds to the appeal of this great garden performer.	✓	✓						
Cleome Sparkler Rose	○	24-36in	Rose Pink	The first hybrid dwarf Cleome with rosy blooms from early summer till fall. Big, 4- to 6" spidery blooms of warm rosy-red hold well on the plant and are wonderfully long-lasting as cutflowers. The dark green foliage is narrow and stylish, too, making an attractive back drop for the big, fluffy blooms.	✓			✓			✓	
Coleus Carefree Mix	◐	8-12in	Mix	Compact plants with deeply lobed and ruffled leaves. Colors include jade, red, gold and assorted attractive pastel shades.	✓	✓						
 Coleus Finger Paint	◐	12-18in		Coleus Finger Paint sports red, yellow and a mosaic of red & yellow. Pinch out the color you desire the least of and customize the color patterns of your Finger Paint.	✓	✓						
 Coleus Flamingo	◐	16-24in		Beautiful, bright pink/magenta leaves have a wide loopy edge of deep purple. Bright light brings out richer tones.	✓	✓						
Coleus Giant Exhibition Series	◐	12-15in		Each variety in the series is utterly distinctive, bearing large, neatly serrated or scalloped leaves in a variety of rich tones.	✓	✓						

New Plant Name	Light	Height	Color	Description	Flowerbed	Containers	Hanging Basket	Cut Flowers	Fragrant	Butterfly	Hummingbird	Deer Resistant
Coleus Glennis	☾	12-24in		A very pretty light-toned coleus, Glennis has creamy leaves with light green flecks and red veins.	✓	✓						
🌸 Coleus Hurricane Jenni	☉	24in		This sun-tolerant selection has stormy burgundy, saw-toothed leaves that are edged with brilliant lime green. Pinch back flowers to encourage bushiness. A great choice for containers.	✓	✓						
Coleus Kiwi Fern	☉	18-24in		Kiwi Fern has 3" long, very dark red, fern-shaped leaves with bright yellow and green margins. Flowers appear in summer and are white and whorled, but are usually pinched off.	✓	✓						
Coleus Kong Red	☾	18-22in		Enormous leaves with dramatic markings. The center of each leaf is rich red with strong veining and a bright green edge.	✓	✓						
🌸 Coleus Mosaik Rose Blast	☉	12-18in		Extremely well-branched, upright plant with brightly colored pink and burgundy foliage edged in bright chartreuse.. Does well in both sun and shade.	✓	✓						
🌸 Coleus Peter's Wonder	☉	18in		Peter's Wonder sports very frilly foliage that is a mix of green, yellow, violet, and pink. It continues the parade of colors with cream veining and magenta-pink splotching, which is repeated as highlights along the leaf edges. This cultivar would look splendid all by itself in a large container planting.	✓	✓						
🌸 Coleus Pineapple Splash	☉	24-36in		Striking contrast of bright yellow leaves with red venation down the midrib of the leaf. The warmer it gets the better the color.	✓	✓						
Coleus Redhead	☉	18-24in		Redhead displays bright true-red leaves. Well branched, late to flower and a must have color for any collection.	✓	✓						
Coleus Royal Glissade	☉	24-36in		Olive green new growth is edged in purple while older growth takes on a solid purple coloration. This subtle coleus is sturdy and sun tolerant.	✓	✓						
Coleus Saturn	☾	14-20in		Large eye-catching leaves are rich burgundy with lime green centers. Ideal for large mixed container, or in the landscape. Hardy until frost, with great heat tolerance.	✓	✓						
Coleus Sedona	☉	14-24in		Glowing russet orange leaves splashed with deeper orange.	✓	✓						

New Plant Name	Light	Height	Color	Description	Flowerbed	Containers	Hanging Basket	Cut Flowers	Fragrant	Butterfly	Hummingbird	Deer Resistant
Coleus Solar Sunrise	○●	18-24in		Foliage features a mix of intense colors including bright lime green, burgundy, and creamy yellow. This multi-colored coleus is perfect for contrast in flower beds as well as containers.	✓	✓						
Coleus Wizard Mix	●	10-12in		Compact, bushy, and full of vibrant color.	✓	✓						
Coleus, Solar	○●	10-15in		Brilliant foliage in a wide range of colors and leaf shapes.	✓	✓						
☼ Coleus, Solar Sunrise	○●	18-24in		'Solar Sunrise' foliage features a mix of intense colors including bright lime green, burgundy, and creamy yellow. Sun and heat tolerant.	✓	✓						
Colocasia Black Magic	○	3-6ft	Purple-Black	2-foot leaves of deepest, duskiest purple with dark veins and bright maroon stems. Can be used beds, planters and in marginal bog beds or submerged in the ponds as well.	✓	✓						
Colocasia Illustris	○●	4ft		A wonderful foliage plant that complements any garden space. Whether grown in a container or used seasonally as a landscape plant, the chartreuse to purple coloring and the immense size of its leaves always make a statement. As the leaves mature, they turn more purple in color. It can also be grown in water gardens or inside with a saucer of water. Full sun, partial sun or shade, grows to 2-3' in container, 5' in the landscape.	✓	✓						
Convolvulus Blue Casbah	○●	1-3ft	Violet Blue	Light violet-blue flowers bloom on furry, dime-size leaves; heat tolerant.	✓	✓	✓					
Convolvulus Sabatius Lt. Blue	○●	8in	Light Blue	Blue morning glory flowers on cascading light gray-green foliage.	✓	✓	✓					
Cordyline Red Star	○●	36in		Long, narrow leaves are dark burgundy red. An exceptional plant to use for height and texture in container plantings or in the garden border.	✓	✓						
Cordyline Torbay Dazzler	○	3-4ft		Featuring a new exotic color, this cordyline, or spike, looks excellent in a pot or in the border. Long, graceful, green and creamy white leaves, often display a salmon-red vein at the base. It has a palm-like appearance with a trunk forming with age. Keep dry when kept inside over winter.	✓	✓						

New Plant Name	Light	Height	Color	Description	Flowerbed	Containers	Hanging Basket	Cut Flowers	Fragrant	Butterfly	Hummingbird	Deer Resistant
Cosmos Double Click	○	3-4ft	Mix	Huge, puffy double flowers in a pastel rainbow for the full sun garden. Blooms appear quickly on tall plants covered with attractive, lacy foliage.	✓			✓				
Cosmos Early Sensation Mix	○	36-60in	Mix	Plants are covered with large 3" to 4" white, rose, pink and crimson flowers and beautiful feathery foliage.	✓			✓			✓	
Cosmos Seashells	○	36-48in	Mix	Petals are like lightly fluted seashells which form around a buttonlike center. Finely cut, ferny foliage also useful for cutting.	✓			✓		✓		
Cosmos Sonata Mix	○	20-24in	Mix	Lovely white, red, and pink mix prized for its floriferousness. 2 to 3" blooms top very compact, bushy plants.	✓	✓		✓		✓		
Cosmos Sonata White	○	24in	White	Big 3" blooms of purest white crowd atop these well-branched, very compact plants all summer long.	✓	✓		✓		✓		
 Cotyledon Happy Young Lady	○●	18-24in		Grown for its handsome succulent foliage and its drought tolerance, it bears thick, blue-green, spoon-shaped leaves with maroon, wedge-shaped tips. This densely branched plant is ideal for mixed containers or as a houseplant.	✓	✓						✓
Croton Petra	○●	8-12in		A colorful upright plant that has beautiful multi-color waxy leaves in shades of red, yellow and green. Depending on the amount of sunlight it receives, the shades of these colors vary. Easy to grow, drought tolerant and insect resistant. Keep your "Autumn Plant" away from cold drafts. Cold air will cause lower leaf drop as well as watering with cold water. Can grow to 5' after many years.	✓	✓						
Cuphea Allyson	○	8-10in	Purple	Small purple flowers bloom all season long over the glossy green foliage. Heat and drought tolerant, they are ideal as additions to containers, baskets and mass planted in beds. Heat, drought and shade tolerant.	✓	✓				✓	✓	
 Cuphea Mellow Yellow	○	24in	Yellow	Mellow Yellow has glossy, dark-green foliage. It is loaded with bright yellow flowers year-round and has a uniform trailing habit.	✓	✓				✓	✓	
Cuphea Rico Red	○	12-24in	Red	Rico Red is a mounding plant with loads of bright red flowers. It has exceptional heat tolerance. Try it as an accent plant in mixed containers and plantings.	✓	✓				✓	✓	

New Plant Name	Light	Height	Color	Description	Flowerbed	Containers	Hanging Basket	Cut Flowers	Fragrant	Butterfly	Hummingbird	Deer Resistant
Cyperus Papyrus King Tut	○●	48-72in		Exotic-looking beauty has a fantastic bold form and strong appeal. Its pendulous leaves sit on tall, upright stems. Greenish flower spikelets can measure 1' across. Great for water gardens.	✓	✓						
Dahlia Eye Candy	○	18-24in	Orange	The small, daisy-like 'Eye Candy' is a dainty-blooming dahlia good for cutting gardens and sunny borders. It's colorful blooms are rich orange with yellow petal tips. These long-stemmed flowers are ideal for cutting and rise from a clump of lush green foliage.	✓	✓		✓		✓		
Dahlia Figaro Mix	○	12-14in	Mix	Brilliant flower mix in a range of warm colors; compact, long blooming; heavy feeders.	✓	✓		✓		✓		
Dahlia Fireworks	○	12-14in	Mix	The first ever striped dahlia mixture featuring shocking combinations of fuchsia, tangerine, crimson, ivory, and cherry. It is sure to make an explosive statement.	✓	✓		✓		✓		
☼ Dahlia Hypnotica Rose Bicolor	○	10-12in	Pink-Yellow	Rose Bicolor is a real eye-catcher with its spectacular large, pink and yellow bicolor flowers. Excellent performer in landscapes or containers, and especially on your balcony or patio. The radiant color of these very large, elegant flowers is overwhelming and will always attract attention.	✓	✓		✓		✓		
☼ Dahlia Lucky Face	○	8-10in	Pink	The bright pink 2-3 inch flowers with splashes of darker pink and a yellow center make Lucky Face a real show-stopper.	✓	✓				✓		
☼ Dahlia Mystic Wonder	○	18-24in	Red	This beautiful dahlia features almost-black foliage as a backdrop for the velvety-red flowers. Gorgeous when planted with contrasting plants in the garden border or container.	✓	✓				✓		
Datura Ballerina Purple	○	2-3ft	Purple-White	Bi-colored double trumpet-shaped flower; upward facing blooms; fragrant at night; all parts are poisonous; heavy feeders.	✓	✓			✓			

New Plant Name	Light	Height	Color	Description	Flowerbed	Containers	Hanging Basket	Cut Flowers	Fragrant	Butterfly	Hummingbird	Deer Resistant
 Datura Ballerina Yellow	○	1-3ft	Yellow	Ballerina Yellow features soft, frilly, fully-double, buttery yellow flowers. The huge 6-8 inch blooms point upward (instead of dangling like single-flowered Angel's Trumpets) wafting their heavenly aroma throughout the entire garden! The plant is quite compact in containers, reaching only about a foot high and 3 feet wide. In the garden, it forms a dense, well-branched shrub 3 feet tall and slightly wider.	✓	✓			✓			
Datura White	○	24in	White	Trumpet shaped flower; fragrant at night; may re-seed; all parts are poisonous; heavy feeders.	✓	✓			✓			
Dianthus Corona Cherry Magic	○	7-9in	Mix	Variable cherry-red and lavender design. Flower can be solid, picotee or contain sections of either color. Large 2" flowers bloom freely throught the season. 2003 AAS Winner.	✓	✓		✓		✓	✓	
Dianthus Diabunda Mix	○	8-10"	Mix	This mix includes a range of rare colors in dianthus, allowing for some interesting, cool-season combinations. Colors include Blush Pink, Carmine Rose, Coral, Pink, Purple, and Scarlet.	✓	✓			✓	✓	✓	
Dianthus Ideal Fuchsia	○	10in	Violet	Long blooming, superb flowers on the lush, green, leafy foliage.	✓	✓		✓	✓	✓		
Dianthus Ideal Select Red	○	8-10in	Red	The bright green leaves contrast well with clusters of medium crimson-red, lacy-edged flowers.	✓	✓		✓		✓		
Dianthus Ideal Select Violet	○	10-12in	Violet	An AAS-winning Dianthus. Bright green leaves contrast well with clusters of large violet, lacy-edged flowers. Superb tolerance of both heat and cold.	✓	✓		✓	✓			
Dianthus Supra Purple	○	12in	Purple	Upright, bouquet habit, covered with electric purple, highly fringed blooms.	✓	✓		✓		✓	✓	
Dianthus Wee Willie	○	3-4in	Mix	Very dwarf frilly flowers in shades of pink and red.	✓	✓		✓		✓		
Diascia Darla Appleblossom	○◐	8-12in	Pink-White	Delicate pink and white bi-colored flowers appear on a sturdy, compact plants.	✓	✓	✓					
 Diascia Darla Red	○◐	10-14in	Red	Darla Red produces lovely red blooms that have two rear spurs filled with nectar on its wiry stems. Looks great when planted in containers, beds and even along rock walls.	✓	✓	✓	✓	✓	✓	✓	

New Plant Name	Light	Height	Color	Description	Flowerbed	Containers	Hanging Basket	Cut Flowers	Fragrant	Butterfly	Hummingbird	Deer Resistant
Diascia Flirtation Orange	○●	8-12in	Orange	Charming orange flowers bloom profusely all season. Use in hanging baskets, combinations, window boxes and landscapes.	✓	✓	✓					
Diascia, Tr. Antique Rose	○●	8-12in	Rose	Exceptionally large, very floriferous, early blooming, deep rose flowers appear on sturdy, compact plants.	✓	✓	✓					
Dichondra Silver Falls	○	2-3in	Silver	Velvety silver leaves cascade up to 6'; drought tolerant.	✓	✓	✓					
Dracaena Indivisia (spike)	○	24in		All time favorite foliage plant, adds height and texture to gardens, planters.	✓	✓						
Dusty Miller Silver Dust	○	8-12in		Dusty silver foliage with nice cutleaf texture tolerates heat, dry weather, and frosts.	✓	✓	✓					
☼ Dyckia Burgundy Ice	○●	6-12in	Orange	The foliage is spikey with a rich burgundy color and white spines. Dykias have a rosette growth habit and are great in rock gardens as well as containers. This variety will maintain its burgundy color year round as long as it is in full sun. 'Burgundy Ice' has bright orange blossoms in the summer, great for attracting hummingbirds.	✓	✓					✓	
☼ Echeveria Barbillon	○	6-12in		This is one of a kind, you either love it or hate it. Each leaf contains a raised 'wart', that becomes more prominent with sun and harder conditions. Leaves turn redder and frillier with age.	✓	✓						
Euphorbia Breathless Blush	○	8-12in	Lt. Pink	An elegant Euphorbia which features flowers "blushed" pink atop unique dark green leaves with red tones. Terrific branching, dense flowering habit and heat tolerant.	✓	✓	✓					
☼ Euphorbia Firestick	○●	24-36in		This striking succulent is an ideal specimen plant for containers. Multiple fire-red stems, resembling small pencils or sticks, grow from the base of the plant. The red stems often show shades of pink, orange or yellow and the color is more vivid during the cooler months and when grown in bright sun. Grow in full sun and well-drained cactus soil. Firesticks is an excellent choice for a succulent garden because of its unique color and unusual form.	✓	✓						
Euphorbia White Manaus	○	8-12in	White	An airy mound of foliage covered with a mass of clean white flowers. Vigorous, heat loving plant.	✓	✓	✓					

New Plant Name	Light	Height	Color	Description	Flowerbed	Containers	Hanging Basket	Cut Flowers	Fragrant	Butterfly	Hummingbird	Deer Resistant
Fern Boston Babe	●●			A smaller version of Boston with narrower, shorter fronds. Performs well in both low and high-light growing conditions.		✓	✓					
☼ Fern Rita's Gold	●●	18-24in		This beautiful fern features chartreuse-green fronds that grow 18 to 24 inches long. While the frond size is slightly smaller than other Boston ferns, the color stays true all summer. It makes a great accent plant when grown in the shade with other annuals, such as orange impatiens and blue torenias. Grows best in the shade but will tolerate some sun.		✓	✓					
Fern Southern Maidenhair	●●	10-22in		This beautiful fern has fluffy, airy, elegant foliage, and is considered one of the most graceful and beautiful ferns. It is the perfect fern for containers or in open ground.	✓	✓						
Fern Variegated Creten Brake	●	18-24in		Very decorative, easy to grow fern, with light green fronds, each having creamy-white bands down the center. Suitable as an indoor houseplant and in shaded garden positions.		✓						
Fuchsia Blacky	●	18in	Deep Purple	Concealed within its buds of shocking pink is a petticoat of the deepest purple, enhanced by bright green foliage.	✓	✓	✓			✓	✓	
Fuchsia Cherry	●	12in	Pink	Cherry features an upright compact bush habit. The single pink flowers perch well above the bushy, small-leafed foliage.	✓	✓	✓			✓	✓	
Fuchsia Dollar Princess	●	12in	Purple-Red	Small, double flowers with short tubes and broad, recurved cerise-crimson sepals; its petals are purple with red veins.	✓	✓	✓			✓	✓	
Fuchsia Paula Jane		18in	Pink	Semi-double flowers have light pink petals with a deeper pink center. It has very strong growth and blooms until the first frost.	✓	✓	✓			✓	✓	
☼ Fuchsia Seventh Heaven	○●	12-16in	Rose-Pink	A very showy fuchsia whose large, double, white and deep rose-pink flowers are perfect for hanging baskets and containers. They are very durable and weather resistant.	✓	✓	✓			✓	✓	
Fuchsia Summer Island Riverhead	○●	14-16in	Red-Blue	Upright growth habit and elegant red/blue, semi-double flowers make these a pretty choice for patio planters. Constant color all summer until first hard frost.	✓	✓	✓			✓	✓	
☼ Fuchsia Summer Melody Santamaria	●	12-14in	Red	Early-flowering selection with enormous weather stability. Displays semi-double red/mauve, semi-double flowers.	✓	✓	✓			✓	✓	

New Plant Name	Light	Height	Color	Description	Flowerbed	Containers	Hanging Basket	Cut Flowers	Fragrant	Butterfly	Hummingbird	Deer Resistant
Fuchsia Swingtime	●	12in	White-Red	Red outer petals display full white centers and long, wispy hot pink stamens.	✓	✓	✓			✓	✓	
Fuchsia Winston Churchill	●	12in	Salmon-Red	Double pink corolla with sepals of pink.	✓	✓	✓			✓	✓	
Gaura Geyser Pink	○	18-24in	Pink	Geyser develops a full-bodied plant with a compact habit that's free flowering until the first frost. Strong branching supports large, long-lasting blooms. Plant in full sun for best results. Tolerates drought, heat and humidity.		✓	✓	✓		✓		
Gazania Big Kiss White Flame	○	8-10in	White-Pink	Possibly the largest-flowered bedding gazania. The white and rose striped petals are simply stunning. Extra-large, 4½" flowers are held high above full, bushy plants. Flowers all summer in a sunny garden situation - in borders or in containers on the patio.	✓	✓		✓		✓		
Gazania Big Kiss Yellow Flame	○	8-10in	Yellow-Red	Extra-large, 4½" flowers are held high above full, bushy plants. The large, bright yellow flowers with eye-catching red stripes make an excellent show in both gardens and large single or mixed containers.	✓	✓		✓		✓		
 Gazania Sunbathers Gold Coast	○	8-12in	Gold	Large showy flowers are bright gold without the typical dark eye. Semi-double blooms help keep them open at night. Loves hot summers. Does not require deadheading as frequently because the blooms last longer.	✓	✓		✓		✓		
Geranium Caliente Fire	○	12-18in	Scarlet	Caliente interspecific geraniums blend the best characteristics of zonal and ivy geraniums with a mounded, well-branched, semi-trailing plant habit, deep green foliage, heat tolerance, Oedema resistance and large, bountiful blooms! Caliente Fire has bright scarlet red flowers and contrasting dark foliage.	✓	✓	✓					
Geranium Calliope Dark Red	○	10-12in	Red	Calliope Dark Red is an interspecific hybrid with zonal-type flowers and leaves. It has an outstanding velvety red flower color. Calliope is a vigorous grower with a mounding to semi-trailing growth habit.	✓	✓	✓					
Geranium F Contrast	○	10-22in	Red	A traditional red geranium with a twist, Contrast, has green, cream, and red foliage.	✓	✓						
Geranium F Graffiti Pink	○	12-18	Pink	A soft pink stellar-type with large flower heads and dark leaf zone.	✓	✓						

New Plant Name	Light	Height	Color	Description	Flowerbed	Containers	Hanging Basket	Cut Flowers	Fragrant	Butterfly	Hummingbird	Deer Resistant
Geranium F Occold Shield	○●	12-15in	Orange	This very attractive geranium features yellowish, lime green foliage with a dark chestnut splotch in center and a mounding to semi-cascading growth habit. The double orange flowers contrast beautifully with the foliage.	✓	✓						✓
Geranium F Vancouver Centennial	○	12-18in	Red-Salmon	Leaf shape resembles the Canadian Maple leaf; color intensifies in exposure to bright sunlight to accent the orange red blooms.	✓	✓						
Geranium F Wilhelm Langouth	○	12-18in	Red	Soft green and white variegated foliage below attractive red flowers.	✓	✓						
Geranium Ivy Contessa Burgundy Bicolor (Picasso)	●	12in	Red-Pink	Burgundy and white bi-color semi-double flowers and medium green foliage.		✓	✓			✓	✓	
Geranium Ivy Contessa Double Lilac (Summer Rose Lilac)	●	12in	Lilac	Light-lavender double flowers accented with medium green foliage.		✓	✓			✓	✓	
Geranium Ivy Contessa Double Pink (Sybil Holmes)	●	12in	Pink	Pretty pink double flowers and a compact growth habit.		✓	✓			✓	✓	
Geranium Ivy Contessa Purple (Black Magic)	●	12in	Dark Purple	Compact with beautiful semi-double, dark purple flowers.		✓	✓			✓	✓	
Geranium Ivy Freestyle Burgundy Impr.	●	12in	Burgundy	Large, semi-double rich burgundy flowers; heat tolerant.		✓	✓			✓	✓	
Geranium Ivy Freestyle Cherry Rose	●	12-15in	Cherry-Rose	Large, semi-double bright cherry rose flowers; heat tolerant.		✓	✓			✓	✓	
Geranium Ivy Freestyle Dark Red	●	12in	Dark Red	Large, semi-double dark red flowers; heat tolerant.		✓	✓			✓	✓	
Geranium Ivy Freestyle Lavender	●	12in	Lavender	Large, semi-double dark lavender flowers; heat tolerant.		✓	✓			✓	✓	
Geranium Ivy Freestyle White	●	12in	White	White with rose eye, semi-double, early blooming, medium trailing, good heat tolerance.		✓	✓			✓	✓	
Geranium Ivy Temprano Bright Red (Maxime)	●	12in	Red	Bright red semi-double flowers above a well-branched, mounding canopy.		✓	✓			✓	✓	
Geranium Ivy Temprano Dark Red (Ruby Dream)	●	12in	Ruby Red	Dark red color, semi-double flowers; earlier flowering than others.		✓	✓			✓	✓	
Geranium Ivy Temprano Orange (Mandarin)	○●	12-18in	Bright Orange	A very early, luminous orange-coral ivy with a medium growth habit and beautiful, deep shiny foliage. A great choice for hanging baskets.		✓	✓			✓	✓	

New Plant Name	Light	Height	Color	Description	Flowerbed	Containers	Hanging Basket	Cut Flowers	Fragrant	Butterfly	Hummingbird	Deer Resistant
Geranium Ivy Temprano Salmon (Molina)	○●	10in	Salmon-Pink	The semi-double salmon-pink flowers, early flowering time and medium habit make Temprano Salmon a good choice for hanging baskets and containers.		✓	✓			✓	✓	
Geranium Regal Aristo Velvet Red	○●	10-22in	Deep Red	Velvet Red features a bloom with deep velvet red petals and a nondistinct dark eye.	✓	✓						
🌸 Geranium Regal Graziosa Cherry Picotee	○●	10-20in	Cherry	Graziosa is a cross between regal and scented geraniums, offering the best of both: excellent branching, early flowering and distinctive flowers. Cherry Picotee flowers are wine red with white edges.	✓	✓						
🌸 Geranium Regal Graziosa Merlot Red	○●	10-20in	Wine Red	Graziosa Merlot Red is a cross between regal and scented geraniums, offering the best of both: excellent branching, early flowering, and distinctive wine red flowers.	✓	✓						
🌸 Geranium Regal Graziosa Royal Lilac	○●	10-20in	Dark Lilac	Graziosa is a cross between regal and scented geraniums, offering the best of both: excellent branching, early flowering and distinctive flowers. Royal Lilac features intense lilac flowers with dark centers.	✓	✓						
🌸 Geranium Regal Graziosa Royal Salmon	○●	10-20in	Salmon	Graziosa Royal Salmon is a cross between regal and scented geraniums, offering the best of both: excellent branching, early flowering, and distinctive salmon colored flowers with a red center.	✓	✓						
Geranium Scented, Citronella	○	12-16in	Violet-Lavender	Coarse, lobed leaves, a moderate lemon scent, and lovely small lavender flowers.	✓	✓			✓			✓
Geranium Sct. Fragrans	○	12-16in	White	A small plant with gray-green foliage and delicate pink flowers. The leaves have a spicy fragrance.	✓	✓			✓			✓
Geranium Sct. Frosted	○	18-24in	Purple	Characterized by its citronella-scented dark green leaves with deeply incised tips, frosted in white. Its newly emerging foliage is pink tinged.	✓	✓			✓			✓
Geranium Sct. Orange Fizz	○	12-16in	Lilac-Purple	A medium sized plant with small sawtoothed leaves. The flowers are a pale lilac with dark purple splotches. Wonderful orange scent.	✓	✓			✓			✓
Geranium Sct. Pink Capitatum	○	12-16in	Lavender-Pink	Roundish ruffled leaves and a sprawling growth habit. The umbrels of lavender flowers are like perfect little bouquets. Capitatum is a rose scented geranium.	✓	✓			✓			✓

New Plant Name	Light	Height	Color	Description	Flowerbed	Containers	Hanging Basket	Cut Flowers	Fragrant	Butterfly	Hummingbird	Deer Resistant
Geranium Sct. Quercifolia	○●	15-36in	Lavender	Dark center oak-leaf form, with sticky surface, pungent scent, lavender flowers. Looks good in baskets, or mixed planters.	✓	✓			✓			
Geranium Z. Americana Brt. Red	○	12-18in	Red	Bright red semi-double blooms, medium green foliage, heat tolerant.	✓	✓	✓					
Geranium Z. Americana Cherry Rose	○	12-18in	Deep Pink-Rose	Americana® Cherry Rose has an almost neon cherry-rose color to it that is very eye catching.	✓	✓	✓					
Geranium Z. Americana Dk. Red	○	12-18in	Red	This red Americana® is the most vigorous in the series and does extremely well in landscape performance. The flower is a true dark red over a medium green and well branching foliage.	✓	✓	✓		✓			
Geranium Z. Americana Lt. Pink Splash	○	12-18in	Light Pink	The pastel pink and dark pink eye, makes the Americana® Light Pink Splash II a unique and very appealing geranium. This variety is a little more compact than others in the Americana® series.	✓	✓	✓					
Geranium Z. Americana Pink	○	12-18in	Medium Pink	One of the best pink colored geraniums on the market. Like the other Americanas, this variety has excellent landscape performance and a well branched plant structure.	✓	✓	✓					
Geranium Z. Americana Salmon	○	6-12in	Red-Orange	The Americana® series is known for clean and intense flower colors and for the large flower heads they display. Americana® Salmon is no exception. Its flower heads boast a very nice and elegant salmon color.	✓	✓	✓					
🌸 Geranium Z. Americana Violet	○	12-18in	Violet	The bright violet color on this geranium makes it one of the best violets on the market. These geraniums are known for their free-flowering, large flower heads that are held above a well-branching plant structure and for their great landscape performance.	✓	✓	✓		✓			
Geranium Z. Americana White	○	6-12in	White	Americana® White has nice clean white semi-double blossoms. It is an excellent landscape performer and has a well branched plant structure.	✓	✓	✓					
Geranium Z. Americana White Splash	○	6-12in	White	White Splash is an exceptional variety with good clean white flowers with a dark magenta eye.	✓	✓	✓					
Geranium Z. Blues (Classic Pink)	○	12-18in	Pink	Blues, displaying semi-double pure pink flowers set above medium green foliage, is more vigorous than Tango® Pink. This variety has great outdoor performance.	✓	✓	✓					

New Plant Name	Light	Height	Color	Description	Flowerbed	Containers	Hanging Basket	Cut Flowers	Fragrant	Butterfly	Hummingbird	Deer Resistant
Geranium Z. Diablo (Classic Red)	○	12-18in	Red	Well rounded flower heads with semi-double, true bright red flower heads. It is very early, freely branching, and floriferous.	✓	✓	✓					
Geranium Z. Eclipse Rose Splash (Tango Rose Splash)	○	9-12in	Rose	Large bicolor single flowers and striking color contrast with dark green leaves.	✓	✓	✓					
🌸 Geranium Z. Rocky Mnt. Orange	○	24in	Orange	Extra large bright orange flowers offer the best true orange color available. Rocky Mountain® Orange has excellent landscape performance and is very showy in ground beds and containers.	✓	✓	✓					
Geranium Z. Rocky Mnt. Red	○	18-24in	Red	This geranium with vigorous growth is consistently voted a top performer! Remove spent blooms for continuous flowering.	✓	✓	✓					
Geranium Z. Tango	○	18-24in	Red	An extremely popular geranium. Extra-bright red flowers with a dark green leaf.	✓	✓	✓					
Geranium Z. Tango White	○	12-18in	White	The semi-double flowers of Tango White are contrasted nicely by its dark foliage.	✓	✓	✓					
🌸 Gerbera Autumn Colors	○	8-14in	Mix	Autumn Colors offers large, semi-double flowers in rich, vibrant shades of red, orange and yellow.	✓	✓		✓				
Gerbera Royal Deep Orange	○	12-14in	Orange	Royal is an early flowering and very floriferous series. It develops many eye-catching, large flowers in bright colors. The plants are medium sized with a nice dark green foliage.	✓	✓		✓				
Gerbera Royal Lemon	○	12-14in	Bright Yellow	Royal is an early flowering and very floriferous series. It develops many eye-catching, large flowers in bright colors. The plants are medium sized with a nice dark green foliage.	✓	✓		✓				
Gerbera Royal Premium Mix	○	12-14in	Mix	Early flowering and very floriferous. Many eye catching, large flowers in bright colors. Medium sized, very uniform plants with dark green. foliage and a prostrate growing habit.	✓	✓		✓				
Gerbera Royal Red	○	12-14in	Red	Royal is an early flowering and very floriferous series. It develops many eye-catching, large flowers in bright colors. The plants are medium sized with a nice dark green foliage.	✓	✓		✓				
Glechoma Variegata	○	4in	White-Green	Low, fast spreading, mat of white and green variegated leaves. Good in baskets or trailing over the side of a pot.		✓	✓					

New Plant Name	Light	Height	Color	Description	Flowerbed	Containers	Hanging Basket	Cut Flowers	Fragrant	Butterfly	Hummingbird	Deer Resistant
Grass: Fiber Optic	○	10in		Bright green grasslike plant with small flowers at the stem tips, resembling 'fiber optic' lamps. Remains lovely for years when grown as a houseplant.	✓	✓						✓
Grass: Pennisetum Fireworks	○	24-30in	Variegated	The first variegated purple fountain grass. Leaf blades that are variegated with longitudinal stripes of white, green and burgundy, imparting a candy cane-like appearance to the foliage. Purple tassels rise above the foliage in late summer.	✓	✓						
Grass: Pennisetum Rubrum	○	24-36in	Purple-Red	Spectacular purple-red flower plumes and stunning dark burgundy foliage.	✓	✓	✓	✓				✓
Grass: Red Rooster	○	18in	Red	The rich reddish-bronze, fine leaved foliage, makes this one of the most ornamental colored grasses. Stunning planted in mixed borders or in containers, adding color and texture to your summer and autumn displays.		✓						
Grass: Stipa Pony Tails	○	18-24in	Tan	A very attractive Mexican grass for the border producing soft, wispy pony-tails. Quick to produce dense clumped plants.	✓	✓						✓
 Haworthia Zebra Plant	○●	6-8in	White	Commonly known as the Zebra Haworthia because it's convex dark green fleshy leaves are covered with silver-white raised stripes. Very attractive rosette shape is very easy to look after and will thrive on any sunny windowsill with the very minimum of attention. As the plant matures, offshoots may appear around the base of the plant. Occasionally it will send a long thin flower spike from the center of the plant.		✓						
Hedera Ivy Gold Child	●●	6-12in		Gold Child has 2"-3" stunning variegated leaves with gold margins. In hot weather the border becomes creamy-white, the leaves will darken in full shade. It will grow in full sun, but prefers some shade.	✓	✓	✓					
Hedera Ivy, English	●	2-4in		Popular house plant, shade tolerant, green and variegated varieties.	✓	✓	✓					

New Plant Name	Light	Height	Color	Description	Flowerbed	Containers	Hanging Basket	Cut Flowers	Fragrant	Butterfly	Hummingbird	Deer Resistant
Hedera Ivy, Eva	○●	6-12in		Eva has medium-sized, variegated leaves with a bird's-foot or narrowly-lobed shape, the middle lobe is long. The leaf color is gray-green in the center with irregular, creamy-white margins. Eva needs bright light to maintain the leaf variegation.	✓	✓	✓					
Helichrysum Minus	○	6-8in	Silver-Gray	Small, oval, silver fuzzy leaves on silver stems; heat & drought tolerant.	✓	✓	✓					
Heliotrope Mini Marine	○	8-10in	Purple	8-12" vanilla scented, deep purple blooms cover compact plants. Foliage is glossy green with slight ribbing.	✓	✓			✓			
Hibiscus Full Moon	○	6ft	Yellow	A profusion of fully double, bright yellow blooms when placed in full sun and warm temperatures and given good drainage. Versatile plant for screening, background and containers.	✓	✓				✓	✓	
Hibiscus The Path	○	6-8ft	Yellow-Pink	Dramatically ruffled and tufted buttercup yellow flowers with bright pink centers. Blossom can get up to 7" across.	✓	✓				✓	✓	
Hibiscus Tradewind Baha Breeze	○	2ft	Dark Red	Dark red 5" flowers. Dark glossy foliage. Compact, dense, spreading habit. Excellent flower production. Ruffled petal margin.	✓	✓				✓	✓	
Hibiscus Tradewind Brilliant Red	○	2ft	Red	Bright red flowers with huge 6-7" blooms.	✓	✓				✓	✓	
Hibiscus Tradewind Carolina Breeze	○	2-3ft	Orange	A unique iridescent orange flower with 4 -5" blooms. Compact plant with dense foliage.	✓	✓				✓	✓

Impatiens S. Elfin Xp White	●	8-10	White	Pure white blossoms on compact plants.	✓	✓						
Impatiens Stardust Romantic Rose	●	8-10in	Mix	A sweethearts blend of lipstick shades of rose, hot pink, cherry and rose with white eye.	✓	✓						
🌸 Impatiens Sunpatiens Compact Blush Pink	○☉	18-24in	Light Pink	Sun-loving, heat-loving impatiens that grow in sun or shade and explode with color from spring through frost. These beauties are so tough they will thrive almost anywhere.	✓	✓	✓			✓		
🌸 Impatiens Sunpatiens Compact Deep Rose	○☉	18-24in	Rose Pink	Deep rose flowers on compact plants with deep green foliage.		✓	✓			✓		

New Plant Name	Light	Height	Color	Description	Flowerbed	Containers	Hanging Basket	Cut Flowers	Fragrant	Butterfly	Hummingbird	Deer Resistant
 Impatiens Sunpatiens Compact Lilac	☉	18-24in	Purple Shades	Sun-loving, heat-loving impatiens that grow in sun or shade and explode with color from spring through frost. These beauties are so tough they will thrive almost anywhere.	✓	✓	✓			✓		
Impatiens Swirl Monet Mix	●	10-12in	Mix	Unique, patterned colors include coral, raspberry and rose, picotee blooms.	✓	✓						
Impatiens Tempo Wedgewood Mix	●	10in	Mix	A stunning mix of cool shades of blues, lavender, burgundy & white.	✓	✓						
 Impatiens Xtreme Lilac	●	8-10in	Lilac	Compact, heat tolerant and free-flowering plants with huge 2.5 inch blooms on 8-10 inch plants. Xtreme Lilac is a true lilac color and was voted "Best of the Best" at the University of Georgia trial gardens.	✓	✓						
Impatiens Xtreme Red	●	8in	Red	Rich red; early blooming, compact impatiens.	✓	✓						
Impatiens Xtreme White	●	8-10in	White	Extreme White Impatiens are perfect to plant with other colors of impatiens or shade-loving annuals.	✓	✓						
Ipomoea (Clarks Heavenly Blue)	○	10ft	Blue	Gorgeous sky blue flowers, up to 2 1/2" across that open in the morning, appear throughout summer on this free-flowering, elegant morning glory vine. Beautiful climber ideal for warm site on trellis, fences, poles, etc.	✓	✓	✓					
Ipomoea Blackie	☉	4-10in		Stunning dark purple, almost black, cascading foliage.	✓	✓	✓					
Ipomoea Flying Saucers	○	10-12ft	Blue-White	This free-flowering morning glory will quickly cover trelliswork, obelisks and fences. In summer, an abundance of exquisite white blooms with blue-mauve streaks are produced, their antique appearance giving an air of yesteryear.	✓	✓						
Ipomoea Illusion Emerald Lace	○	6-10in		This mounding but compact sweet potato vine boasts deeply dissected and lobed foliage of bright chartreuse that works perfectly for containers, annual borders and hanging baskets. Excellent heat tolerance.	✓	✓	✓					
Ipomoea Marguerite	○	10-12in		Bright chartreuse foliage provides an excellent contrast in containers, baskets, window boxes or garden beds.	✓	✓	✓					
Ipomoea Moonflower	○	10-15ft	White	Blooms at night and closes by mid-day. Large white flowers emanate a powerfully sweet fragrance. The vine is smooth and thornless.	✓				✓			

New Plant Name	Light	Height	Color	Description	Flowerbed	Containers	Hanging Basket	Cut Flowers	Fragrant	Butterfly	Hummingbird	Deer Resistant
Ipomoea Scarlet Ohara	○	6ft	Scarlet-White	An absolutely stunning morning glory vine with gorgeous blooms of scarlet red with a pure white throat. Low feeders, overfertilizing will cause more vine than flower	✓	✓					✓	
Ipomoea Star Of Yelta	○	10-12ft	Deep Purple	This morning glory features large flower buds that open to a deep royal purple, silk-like bloom with rich red vein markings, forming a star from the very center to the petal tips.	✓							
☼ Justicia Brandegeana Red	○●	3-4ft	Red	This is a great plant for bedding in masses, it creates a subtle field of light red accented with white. The everblooming red bracts have white/pink veined shrimp-like flower spikes that arch gently.	✓	✓			✓	✓	✓	
☼ Kalanchoe daigremontiana	○●	36-48in	Red-Orange	Native to Madagascar, Mother of Thousands is a slender erect succulent perennial with stems up to 24 inches high. Also called Devil's Backbone, Alligator Plant, or Mexican Hat Plant, these erect, smooth, fleshy plants produce large numbers of tiny plantlets on its leaf edges. Its beautiful flowers have made it a popular garden plant producing gorgeous drooping clusters of red to orange tubular flowers. Mother of Thousands can grow in most soils and can withstand extremely dry periods. All parts of the plant are poisonous, which can even be fatal if ingested by infants or small pets.	✓	✓						
Kalanchoe Flapjack	○	6-8in		Pale aqua and lime green round leaves grow to 6-inch 'Flapjacks'. The leaves stack like plates giving the plant a very unusual and dramatic architectural form.	✓	✓						
☼ Kalanchoe Gremlin	○●	12-18in		Grown for its very striking foliage, Gremlin is 1½ feet or less tall. It has gorgeous rosettes of wonderful foliage. The lime green serves as the background color, which is richly highlighted with burgundy and a slightly lighter shade of red along the edges. The edges are beautifully scalloped.	✓	✓						
Lampranthus bl. Pink Vygie	○	6-10in	Pink	This tough South African plant produces masses of daisy-shaped pink blooms above mint green, pyramid-shaped foliage.	✓	✓						✓
Lantana Bandana Cherry	○	20-26in	Red-Violet	A very large-flowered Lantana with tricolored blooms of pink, yellow, and white.	✓	✓	✓		✓	✓	✓	✓

New Plant Name	Light	Height	Color	Description	Flowerbed	Containers	Hanging Basket	Cut Flowers	Fragrant	Butterfly	Hummingbird	Deer Resistant
Lantana Bandana Lemon Zest	○	16-20in	Yellow	Striking yellow-white color and numerous flower clusters. Heat tolerant.	✓	✓	✓		✓	✓	✓	✓
 Lantana Bandana Pink	○	20-26in	Pink	Bandana Pink sets larger, brighter blooms over a summer-through-fall season that doesn't stop until the first frosts arrive. Tri-colored, brilliant, and calling out to all butterflies to feast upon them. The inner ring of florets on each bloom is white and yellow, which just makes the outer rings of scarlet-eyed dark pink stand out more beautifully.	✓	✓	✓		✓	✓	✓	✓
Lantana Bandana Red	○	18-24in	Red	A hummingbird's delight! True red that gets darker with more sunlight.	✓	✓	✓		✓	✓	✓	✓
Lantana Bandana Rose	○	20-26in	Yellow-Pink	Yellow blossoms mature to rose. Plants are very well-branched with a nice, uniform, mounding habit and offer significantly larger flowers than traditional Lantana varieties.	✓	✓	✓		✓	✓	✓	✓
Lantana Bandana Trailing Gold	○	20-26in	Yellow	Dense trailing habit with vibrant golden yellow blooms. Ideal for basket and landscape applications.	✓	✓	✓		✓	✓	✓	✓
Lantana Bandana White	○	16-20in	White	Large clusters of white flowers with yellow centers cover mounding, heat tolerant plants.	✓	✓	✓		✓	✓	✓	✓
 Lantana Ultra Moonlight	○	16-20in	Rose-Yellow	Rose-yellow, upright variety, attractive to hummingbirds, bees and butterflies.	✓	✓			✓	✓	✓	✓
Lavatera Twins Pink	○	16-20in	Hot Pink	Bushy plants, smothered in a beautiful array of fully round, satiny hot pink blooms.	✓	✓						✓
Lobelia Blue Star	●	6-8in	Dark Blue	A cascading lobelia with large dark blue flowers and better heat tolerance than most.	✓	✓	✓					✓
Lobelia Laguna Sky Blue	●	6-8in	Soft Blue	Sky blue flowers appear on a compact and well branched plant.	✓	✓	✓					✓
Lobelia Regatta Midnight Blue	●	6in	Deep Blue	Low-growing, compact; bronze-tinted, dark-green leaves; has a dense covering of violet-blue flowers with white eyes.	✓	✓	✓					✓
Lobelia Regatta Sapphire	●	6-8in	Sapphire	Distinct deep blue with large white eye and bronze foliage.	✓	✓	✓					✓
Lobelia Regatta White	●	6-8in	White	Clear white and softly trailing.	✓	✓	✓					✓
Lobelia Riviera Midnight Blue	●	4-6in	Blue	Extra early flowering, deep blue with bronze foliage.	✓	✓	✓					✓
Lobelia Riviera Sky Blue	●	4-6in	Sky Blue	Pale blue on green foliage; with a vigorous but compact habit.	✓	✓						✓

New Plant Name	Light	Height	Color	Description	Flowerbed	Containers	Hanging Basket	Cut Flowers	Fragrant	Butterfly	Hummingbird	Deer Resistant
Lobelia Techno Heat Dark Blue	○●	6-10in	Blue	Intense dark-blue flowers completely cover the plant in a cloud of color.	✓	✓	✓					
Lobularia Snow Princess	○●	6-10in	White	It is like alyssum on steroids, Snow Princess offers heat tolerance and extended season performance you won't find in normal alyssum. And unlike other alyssum, it will bloom through the summer without deadheading.	✓	✓			✓			✓
Lotus Vine Parrots Beak	○	6-8in	Red-Orange	Parrot's Beak or Lotus Vine is a great plant that fills the need for a silver, soft-foliaged trailing plant. Vibrant red-orange, lobster-claw shaped flowers bloom from spring to summer when night temperatures are below 60 degrees.	✓	✓	✓					
Lysimachia Goldilocks	○	2-4in	Chartreuse	Low growing hardy plant with shiny golden foliage; Great spiller!	✓	✓	✓					
Mandevilla Alice Dupont	○●	15-20ft	Pink	Twining evergreen vine displays unusual trumpet-like flowers of ice pink with darker pink throat. Lovely choice for a trellis or arbor.	✓	✓				✓	✓	
Mandevilla Moonlight Parfait	○●	15-20ft	White	Enormous trumpet-shaped semi-double blossoms occur all summer. Pink buds open to white, trumpet shaped blooms with a rose-like double center that is iridescent under moonlight. Cooler temperatures cause flowers to blush pink. This vigorous plant with glossy, green leaves will climb into trellis, lattice or arbor, and even drape over fences.	✓	✓				✓	✓	
Mandevilla Pink Parfait	○●	15-20ft	Pink	Twining evergreen vine displays unusual, double, trumpet-like flowers, ice pink with darker pink throat. Each flower lasts for several days. A lovely choice for a trellis or arbor.	✓	✓				✓	✓	
Mandevilla Strawberry Lemonade	○●	6-8ft	Pink	Spectacular green and creamy white foliage is pink tinged as it emerges. Twining branches hold a profusion of deep pink funnel-shaped flowers with bright yellow throats. Excellent in hanging baskets.	✓	✓	✓			✓	✓	
Mandevilla Sun Parasol Crimson	○●	15-20ft	Red	Vigorous vine with luxurious dark green foliage and 4 to 6" wide very red flowers with orange throats.	✓	✓	✓			✓	✓	
Mandevilla Sun Parasol Giant Crimson	○●	6-8ft	Red	A vigorous vining mandevilla with luxurious dark green foliage that provides a nice foil to the incredibly large (4 to 6 inch wide) warm red flowers with orange throats.	✓	✓				✓	✓	

New Plant Name	Light	Height	Color	Description	Flowerbed	Containers	Hanging Basket	Cut Flowers	Fragrant	Butterfly	Hummingbird	Deer Resistant
Mandevilla Sun Parasol Stars & Stripes	○●	6-8ft	Red	Voted the favorite new flowering plant at last year's Tropical Plant Exhibition, Mandevilla Stars and Stripes has red star-shaped blossoms with white stripes through the center of each of the 5 petals. A golden-yellow throat contrasts nicely with the petals. It blooms abundantly from spring to fall and is a favorite for hummingbirds. Its leaves are deep, glossy green and are held on twining stems.	✓	✓				✓	✓	
Mandevilla Tango Twirl	○●	15-20ft	Pink	Spectacular, delicate soft pink, fully double flowers are held in upright clusters and enhanced by large, deep green, glossy leaves. A lovely choice for trellis or arbor.	✓	✓				✓	✓	
Manettia Candy Corn Vine	○●		Orange-Yellow	Graceful, twining plant for large planters, topiaries and trellises. The unique bright, yellow-and-red, tubular flowers really stand out against the dark green foliage. Can flower year-round if kept actively growing under bright light. Plants in outdoor containers can be moved indoors and will continue to grow and flower when placed in a southern exposure. Plants tolerate some wilting.		✓					✓	
Marigold Afr. Sweet Cream	○	16in	Creamy White	Large 3", fully double, creamy white blossoms on bushy plants; no fragrance.	✓	✓		✓	✓			✓
Marigold Afr. Taishan Mix	○	10-12in	Mix	Bright blooms in gold, orange or yellow, on a high quality dwarf plant. Delivers excellent, season-long landscape performance. Taishan was a prominent performer in the landscape at the Beijing Olympics. This sensational plant was named after the Taishan Mountains, regarded as preeminent among China's five sacred mountains.	✓			✓				✓
Marigold Afr. Taishan Yellow	○	10-12in	Yellow	Bright yellow blooms on a high quality dwarf plant. Delivers excellent, season-long landscape performance.	✓			✓				✓
Marigold Fr. Boy O Boy Mix	○	8-10in	Mix	Dwarf plants are loaded with 1-1/2" gold, yellow, orange, red and bicolor blooms, with crested centers.	✓	✓						✓
Marigold Fr. Boy Orange	○	8in	Orange	Deep orange 2" blooms.	✓	✓			✓			✓
Marigold Fr. Boy Spry	○	8in	Orange-Yellow	Bright 1.5" blooms have yellow center with mahogany outer petals.	✓	✓			✓			✓
Marigold Fr. Boy Yellow	○	8-12in	Yellow	Bright Yellow; early, free flowering with 2" blooms.	✓	✓						✓
Marigold Fr. Durango Flame	○	10-12in	Red-Orange	Large, golden, anemone type bi-color blooms in shades of red and orange.	✓	✓						✓

New Plant Name	Light	Height	Color	Description	Flowerbed	Containers	Hanging Basket	Cut Flowers	Fragrant	Butterfly	Hummingbird	Deer Resistant
Marigold Fr. Durango Mix	○	10-12in	Mix	A mix of nine colors in deep reds, oranges and yellows; 2.5" anemone type flowers.	✓			✓				✓
Marigold Fr. Durango Red	○	10-12in	Red	Wonderful anemone-like flowers of mahogany-red.	✓				✓			✓
Marigold Fr. Honeycomb	○	6-12in	Gold-Maroon	Deep-red, double, crested blooms flecked with gold.	✓					✓		✓
Marigold Fr. Safari Queen	○	10-12in	Red-Gold	Extra-large russet red flowers edged with golden bronze.	✓	✓				✓		✓
Marigold Fr. Safari Tangerine	○	8in	Orange	Deep orange, early, extra large, double flowers.	✓	✓				✓		✓
Marigold Fr. Safari Yellow	○	8-12in	Yellow	Extra large, vibrant yellow single flowers.	✓	✓				✓		✓
Marigold Fr. Zenith Red	○	14-16"	Red	Large 3-4" flower size. Fragrant!	✓			✓	✓			✓
Marigold Gem Tangerine	○	10-12in	Orange	Dainty, single, orange-centered flowers with lacy-foliage.	✓	✓			✓	✓		✓
☼ Marigold Moonsong	○	12-15in	Dark Orange	This 2010 AAS Winner has vibrant deep orange flower color. Large fully double blooms rank among the best of class. Constant blooms are fade resistant. Easy to grow plants with excellent garden vigor tolerate stress such as heat or drought. In the full sun garden, the erect plants will reach 12 to 15 inches tall. Over the summer, the old blooms will be covered with green foliage, which keeps the plants looking fresh throughout the growing season.	✓	✓		✓				
Marigold Sngl. Lulu	○	6-8in	Yellow	Single canary yellow flowers completely cover the beautiful, mounding fernlike foliage.	✓	✓			✓	✓		✓
☼ Mecardonia Golddust	○	2-5in	Yellow	Small dark green leaves provide a good contrast to the bright yellow nemesia-like flowers. It performs well in containers and landscapes, has excellent heat tolerance and will bloom from May through October.	✓	✓	✓					
Millet Purple Majeste	○	4-5ft	Purple	Cornlike plant with deep purple foliage, stems and 12-14" cattail-like flower plumes.	✓	✓						
Mimosa	○	24in	Pink	'Sensitive Plant.' Delicate fern-like leaves quickly fold up when touched then return to normal after a short time. Also bears puff-ball pink flowers.		✓						

New Plant Name	Light	Height	Color	Description	Flowerbed	Containers	Hanging Basket	Cut Flowers	Fragrant	Butterfly	Hummingbird	Deer Resistant
 Mimulus Curious Orange	○	12-18in	Orange	This well-branched mimulus variety has a long bloom period and large, long-lasting brilliant orange flowers. Grown as annuals and fed regularly, they will bloom prolifically throughout the summer. Allowed a period of rest during late summer, and a warm windowsill through winter and judicious pruning, they can be kept as blooming houseplants for several years.	✓	✓						
Mimulus Magic Mix	○●	6-8in	Mix	Blooms are a stunning mixture of cream, crimson, ivory, orange, red, wine and yellow. Free flowering and self-grooming producing numerous 2" flowers. Very decorative in hanging baskets or window boxes.	✓	✓	✓					
Mina Lobata	○	10-20ft	Red-Orange	An exotic looking climber, with twining stems, has up to 12 beautiful 2" tubular flowers on each spike.	✓							
 Muhlenbeckia Big Leaf Fairy Vine	○●	4-6in		A larger-leaved version of the common Muhlenbeckia with twining growth, dark stems and emerald-green leaves. Adaptable as a houseplant.		✓	✓					
Muhlenbeckia Fairy Vine	●	4in		Creeping, twining, wire like foliage. Use in topiaries, filler. The tiny round leaves are a nice glossy green that turn bronze toward winter and sometimes in extreme heat. Also makes an interesting house plant.		✓	✓					
Nasturtium Gleam	○	12-24in	Mix	Large, fragrant, double and semi-double flowers in a wide range of colors bloom from midsummer until frost. Good for beds, training on trellis or fence. All- America Winner. Young leaves and flowers are edible.	✓		✓		✓			
Nasturtium Jewel Of Africa	○	4-5ft	Mix	Yellow, cream, red, and peach-pink blooms; cream-striped foliage; young leaves and flowers are edible.	✓	✓	✓					
Nasturtium Tip Top Mix	○	8-10"	Mix	A very impressive range and colors of blooms including apricot, gold, mahogany, and scarlet. A compact variety of nasturtium. The flowers of this mix are held high above the foliage.	✓	✓						
Nasturtium Whirlybird Mix	○	14-24in	Mix	The semi-double flowers are upward facing and held above the foliage in shades of rose, tangerine, mahogany, scarlet, and gold.	✓	✓	✓					

New Plant Name	Light	Height	Color	Description	Flowerbed	Containers	Hanging Basket	Cut Flowers	Fragrant	Butterfly	Hummingbird	Deer Resistant
 Nemesia Nesia Pink Spirit		5in	Pink	Large pink flower with "eyelashes" in the center; delicate fragrance; compact and mounded habit; blooms early in season.	✓	✓	✓		✓			
Nemesia Nesia White		5in	White	Highly fragrant with large, white flowers.	✓	✓	✓		✓			
 Nemesia Nessie Plus Golden Yellow		12-14in	Yellow	The plus is heat tolerance with Nessie Plus. Golden Yellow features abundant golden yellow flowers and a tidy plant habit.	✓	✓						
 Nemesia Nessie Plus Scarlet Red		12in	Red	The plus is heat tolerance with Nessie Plus. Abundant scarlet red flowers cover this tidy plant.	✓	✓						
Nierembergia Blue Eyes	○	10-16in	White-Blue	The bicolor Blue Eyes is perfect for baskets. They flower all summer long and they are unfazed by heat and humidity. The one-inch white saucer shaped blossoms have lavender and blue centers, and are delightful on wispy upright stems.	✓	✓	✓					
Nierembergia Lara Blue	○	10-16in	Dark Blue	An outstanding deep blue basket variety. Plants have a semi-mounding habit and are well-branched. Flowers are large and dark blue with a yellow center. They appear early in the season, and show excellent heat tolerance.	✓	✓						
 Ophiopogon Ebony Knight Mondo Grass	●○	5-6in		A perennial (zone 5-10) with dense, purplish-black, grass-like foliage, Ebony Knight™ makes an excellent groundcover, edge or border. Black berries are hidden in foliage. Creates an interesting contrast to other plants in the landscape.	✓	✓						
Osteospermum Lemon Symphony	○	10-14in	Yellow	Lemon yellow with traditional daisy type petals. It has a dark purple eye that is surrounded by a halo of lighter purple at the base of the petals.	✓	✓	✓					
 Osteospermum Margarita Pink Flare	○	12-16in	Pink	Abundance of daisy-like dark pink flowers with white centers on compact plants with short flower stems. Great performance in full heat conditions.	✓	✓	✓					
Osteospermum Orange Symphony	○	10-14in	Orange	Light orange daisies, with blue eyes, are about 2" across and abound on neat upright plants.	✓	✓	✓					
Osteospermum Zion Copper Amethyst	○	14-18in	Bronze	Large, unique bi-color flowers feature bronze-tipped petals darkening to a deep purple center.	✓	✓				✓	✓	✓
Oxalis Charmed Wine	●	12-16in	Pink	Violet, shamrock-shaped leaves; delicate blushed flowers; drought tolerant. Makes a good house plant.	✓	✓	✓					

New Plant Name	Light	Height	Color	Description	Flowered	Containers	Hanging Basket	Cut Flowers	Fragrant	Butterfly	Hummingbird	Deer Resistant
Pansy Accord Mix	○	4-6in	Mix	Large, abundant flowers on short stems in a mix of clear and blotched faces.	✓	✓						
Pansy Aquarelle Strawberry Mix	○	4-8in	Mix	Nice mix of reds, creams, and pinks.	✓	✓						
Pansy Atlas Needlepoint	○	6-12in	Mix	Dark threads of color and rose blushes highlight pastel yellow shades on compact, well-branched plants.	✓	✓						
Pansy Atlas Windjammer Mix	○	6in	Mix	A mixture of jumbo size blue and purple shades, plus white w/blotch on compact, well-branched plants.	✓	✓						
Pansy Bingo Blue Frost	○	6-8in	Mix	Short flower stems with large 3.5" flowers that hold their faces more upright than others.	✓	✓						
Pansy Blueberry Thrill	○	6-8in	Blue-White	Early bloomers, cold tolerant, some are hardy to zone 4.	✓	✓						
Pansy Chianti Mix	○	8-10in	Mix	Large, early semi-ruffled flowers in shades of terra-cotta, salmon, wine-red and rose, all striped and marked with dark red.	✓	✓						
Pansy Delta Beaconsfield	○	6-8in	Blues	A faceless pansy with purple lower petals and light blue upper petals; extra early, large 3" flowers.	✓	✓			✓			
Pansy Delta Citrus Mix	○	6-8in	Mix	Sunny solid orange, yellow and white flowers; 2.5 to 3" blooms.	✓	✓						
Pansy Desiderio Mixed	○	6-8in	Mix	Amazing mix of colors on early flowering, compact plants.	✓	✓						
Pansy Dynamite Wine Flash	○	6-8in	Burgundy Red	Very unique, iridescent wine-red color accented with yellow.	✓	✓						
☼ Pansy Fizzy Fruitsalad Mix	○●	6-8in	Mix	An enticing mix of exquisitely frilly blooms, including Fizzy Grape, Lemonberry, Passion Fruit and Raspberry. Frilling of these pretty flower petals will be more pronounced in cool weather.	✓	✓	✓					
Pansy Fizzy Lemon Berry	○	4-6in	Yellow-Purple	Frilly yellow blooms highlighted with dark purple picotee edges; also features almost solid purple and yellow flowers. Stronger ruffling occurs in cool conditions.	✓	✓	✓					
Pansy Frizzle Sizzle Mix	○	6-8in	Mix	Ruffled flowers in a mix of blues, yellows and reds.	✓	✓						
Pansy Halloween	○	6-8in	Black	Black with small yellow eye, medium flowered; incredibly floriferous.	✓	✓						
Pansy Imperial Beacon	○	6-8in	Blue	Striking purple flower with a white wing.	✓	✓						

New Plant Name	Light	Height	Color	Description	Flowerbed	Containers	Hanging Basket	Cut Flowers	Fragrant	Butterfly	Hummingbird	Deer Resistant
Pansy Imperial Frosty Rose	○●	6-9in	Pink	Imperial Frosty Rose bears rosy purple flowers with a lavender wing. The compact pansies in the Imperial Series produce lots of medium-large flowers that are early-blooming. The plants are also noted for their good heat tolerance, so they continue to perform well into the summer months.	✓	✓	✓			✓		
Pansy Jolly Joker Mix	○	8-10in	Mix	Purple and orange bicolor combination with 2.5-3" blooms. Heat tolerant and free flowering plants.	✓	✓						
Pansy Jolly Poker Face	○	8-10in	Violet-Orange	Early bloomers, cold tolerant, some are hardy to zone 4.	✓	✓						
Pansy Majestic Giants Mix	○	6-8in	Mix	Mix of red, rose, purple, blue, and yellow shades with blooms up to 4" across.	✓	✓						
Pansy Matrix Orange	○	6-8in	Orange	Strongest and best large flowered orange on the market.	✓	✓			✓			
☼ Pansy Matrix Sangria	○●	8in	Deep Purple	Wine shades with yellow halo surrounding dark blotch.	✓	✓						
Pansy Monet Mix	○	4-5in	Mix	Mix of lavender blue shades, pink shades, pure rose, pure yellow and true blue. Large flowers and great garden performance with blooms that appear earlier than any large-flowered pansy.	✓	✓						
Pansy Nature Mulberry Shades	●	8-10in	Mix	New and unique colors in a rich mixture of warm tones ranging from golden-pecan to mulberry purple.	✓	✓	✓					
Pansy Panola Autumn Blaze Mix	○	6-8in	Red-Yellow	Red and yellow shades of free flowering mini pansies that resist stretching in warm weather.	✓	✓						
Pansy Panola Fire	○	6-8in	Mahogany	Mahogany red with a yellow flame.	✓	✓						
☼ Pansy Plentifall	○●	8in	Mix	With a true trailing habit, these fragrant pansies are ready to drape fetchingly from a hanging basket or brighten up your borders. The dainty 1 ½ inch flowers are edible, and welcome additions to a summer salad.	✓	✓	✓		✓			
Pansy Rococco Mix	○	6-12in	Yellow-Orange	Large ruffle-edged flowers in red, blue, purple, yellow, and various shades thereof.	✓	✓						
Pansy Snow Pansy Mixed Colors	○	6-8in	Mix	Bred for cold climates, this tough pansy can survive the harshest winters. Planted in late summer or early fall, you'll enjoy blooms until the snow flies and again in early spring.	✓	✓						
Pansy Ultima Baron Merlot	○	6in	Purple-Cream	Rich, purplish-rose color with white/cream centers.	✓	✓						
Pansy Ultima Impression Mix	○	6in	Mix	Unique pastel color shades.	✓	✓						

New Plant Name	Light	Height	Color	Description	Flowerbed	Containers	Hanging Basket	Cut Flowers	Fragrant	Butterfly	Hummingbird	Deer Resistant
Pansy Ultima Morpho	○	6-10in	Blue-Yellow	Unique color pattern of bright pastel blue that brightens into a yellow center; upward facing.	✓	✓						
Pansy Ultima Purple Lace	○	6in	Purple	Deep-purple velvety flowers with a fine silver lace edge.	✓	✓						
Pansy Ultima Radiance Deep Blue	○	6-10in	White-Blue	Highly attractive blue flowers, splashed with white and yellow faces.	✓	✓						
Pansy Ultima Radiance Violet	○●	6-10in	Purple-White	Ultima Radiance Violet has vibrant purple upper petals highlighting a white center with deep purple whiskers.	✓	✓						
Pansy Whiskers Red & Gold	○	2-3in	Red-Gold	Bright red upper petals and golden yellow lower petals with a bright red edge and black 'whiskers.'	✓	✓						
☼ Passiflora Incense	○●	3-5ft	Purple	A sweetly perfumed cultivar that's a feast for the eyes! With large, five-fingered, 5" royal purple flowers, its lacy-edged corolla overlays the petals. The more sun this plant gets, the more it blooms. Very fast growing vine to 10-20 feet, sometimes longer.	✓	✓			✓	✓	✓	
Passiflora Lady Margaret	○	2-3ft	Red-White	Large vibrant red flowers with white centers, dark red corona tipped white. Flowers in abundance all year. Can be grown as house plant in large, sunny window.	✓	✓	✓			✓	✓	
☼ Petunia Dbl. Cascade Mix	○	12-15in	Mix	Extra-large, super-tough ruffled blooms in 5 colors! So extravagantly ruffled and fully held that they look like giant Carnations instead of Petunias,	✓	✓	✓					
Petunia Dbl. Glorious Mix	○	16-18in	Mix	Bright mix of solids and bicolors, including red, white, salmon, rose pink, burgundy and purple.	✓	✓	✓		✓	✓	✓	✓
☼ Petunia Picobella Mix	○	8-10in	Mix	Vigorous, well-branched, weather tolerant plants. The richly colored 1-2 inch blooms appear earlier than other petunias and cover the compact, 8-10 inch tall plants all summer long. Colors include blue, carmine, light lavender, red, rose, salmon, and white. Picobella petunias offer superb performance for containers or borders.	✓	✓				✓	✓	✓
Petunia S.g. Bravo Blue	○	12in	Dark Blue	Large blue flowers on compact, bushy plants.	✓	✓			✓	✓	✓	✓
Petunia S.g. Bravo Purple Star	○	8-10in	Purple-White	Large grandiflora style flowers of purple with white stars.	✓	✓			✓	✓	✓	✓
Petunia S.g. Bravo Veined Mx	○	8-10in	Mix	Large flowers on compact, bushy plants.	✓	✓			✓	✓	✓	✓
Petunia S.g. Bravo White	○	8-10in	White	Rounded, well-branched plant producing lovely trumpet-shaped white flowers amid oval, lush green leaves.	✓	✓			✓	✓	✓	✓

New Plant Name	Light	Height	Color	Description	Flowerbed	Containers	Hanging Basket	Cut Flowers	Fragrant	Butterfly	Hummingbird	Deer Resistant
Petunia S.g. Dream Patriot Mix	○	10-15in	Mix	Early 4" blooms in a mix of red, white and midnight blue.	✓	✓			✓	✓	✓	✓
Petunia S.g. Dream Wild Rose Mix	○	10-15in	Mix	A vivid mix of Dreams Appleblossom, Burgundy and Neon Rose. Blooms all summer, fertilize well to promote flowers.	✓	✓			✓	✓	✓	✓
Petunia S.g. Dreams Midnight	○	10-15in	Purple	Midnight is a very weather tolerant plant that boasts magnificent dark purple blooms all season long.	✓	✓			✓	✓	✓	✓
Petunia S.g. Dreams Neon Rose	○	10-15in	Magenta	Magenta purple flowers; a unique color in grandiflora petunias. Large 4" flowers.	✓	✓			✓	✓	✓	✓
Petunia S.g. Dreams Red	○	10-15in	Red	Vibrant red color. Attracts bees.	✓	✓			✓	✓	✓	✓
Petunia S.g. Prism Sunshine	○	12-14in	Yellow	AAS Winner. This single grandiflora has 3" creamy yellow blooms contrasting with deep green foliage.	✓	✓			✓	✓	✓	✓
Petunia Wave Blue	○	4-6in	Deep Blue	AAS Winner. Deep blue flowers on spreading plants. High feeders.	✓	✓	✓		✓	✓	✓	✓
Petunia Wave Misty Lilac	○	4-6in	Light Lavender	Splashes of light lavender create a seafoam look. High feeders.	✓	✓	✓		✓	✓	✓	✓
Petunia Wave Purple Improved	○	4-6in	Magenta-Purple	Vibrant rosy-purple blooms simply cover the plant; spreads to 5' or more. High feeders.	✓	✓	✓		✓	✓	✓	✓
Petunia Wave Rose	○	4-6in	Rose-Pink	Large, versatile, lush-blooming 3" intense rose-colored blooms that spread like waves across your garden! Great used alone or mixed with other plants in containers and hanging baskets for big impact. Heat and drought tolerant.	✓	✓	✓		✓	✓	✓	✓
Petunia Wave Tidal Wave Cherry	○	18-20in	Carmine	Masses of 2" blooms cover the vigorous growing plants, forming an almost 'shrublike' shape that holds its form all summer long. High feeders.	✓	✓			✓	✓	✓	✓
Petunia Wave Tidall Wave Silver	○	10in	Light Lavender	Masses of blush-lavender flowers shimmering with dark veins and purplish black eyes.	✓	✓			✓	✓	✓	✓
☼ Petunia, Dbl. Wave Red	○	6-8in	Red	Fully double, non-fading red flowers cover the mounded and spreading, dark green-leaved plants to make outstanding mixed containers, baskets and gardens.	✓	✓	✓		✓	✓	✓	✓
Petunia, Fortunia Burgundy Picotee	○	10-14in	Burgundy-White	Burgundy with white edge. Vigorous growth, an abundance of unique flowers and their ability to withstand all types of weather make these petunias an exceptional choice in borders, tubs or in hanging baskets.	✓	✓	✓		✓	✓	✓	✓

New Plant Name	Light	Height	Color	Description	Flowerbed	Containers	Hanging Basket	Cut Flowers	Fragrant	Butterfly	Hummingbird	Deer Resistant
 Petunia, Littletonia Bicolor Illusion	○	4-6in	Purple-White	This trailing Petunia provides an abundance of miniature violet flowers with white star-shaped markings on trailing plants. Littletonias grow fast like a spreading petunia, but have the cute little blooms like a million bells. Irrisistable not only in containers, Littletonias perform great in flower beds, too!	✓	✓	✓		✓	✓	✓	✓
 Petunia, Littletonia Sweet Sherbet	○	6-8in	Pink	This trailing Petunia provides an abundance of dark pink flowers with white centers on trailing plants. Littletonias grow fast like a spreading petunia, but have the cute little blooms like a calibrachoa. Irrisistable not only in containers, Littletonias perform great in flower beds, too!	✓	✓	✓		✓	✓	✓	✓
 Petunia, Novela Heavenly Halo	○	10-14in	Pink	Unique flowers feature bright pink ruffled edges surrounding a white center with bright yellow throat. Great performance in hanging baskets. Excellent weather tolerance.	✓	✓	✓		✓	✓	✓	✓
 Petunia, Phantom	○	8-12in	Black-Yellow	An amazing and unusual bicolor petunia. Black flowers with distinct yellow stars are stunning, covering low mounding beds, or cascading from patio planters.	✓	✓	✓		✓	✓	✓	✓
Petunia, Pretty Much Picasso	○	8-12in	Violet-Lime	Unique flowers sporting violet purple flowers edged in lime green. This vigorous plant is great for mixing in combination with other vigorous plants. The color is stable, meaning the color pattern will be the same on each plant produced. It thrives in the landscape or in mixed containers. Accent it with vigorous growers like Illusion Ipomoea or Snow Princess Lobularia to make it pop.	✓	✓	✓			✓	✓	✓
Petunia, Ray Sunray	○	12-14in	Yellow	Medium yellow flowers and vigorous trailing habit.	✓	✓	✓		✓	✓	✓	✓
Petunia, Sanguna Atomic Blue	○	10-16in	Blue	Early and vigorous variety. Blossoms are mid-blue with splashes of silver. Quickly fills hanging baskets and beds with attention-getting color.	✓	✓	✓		✓	✓	✓	✓
Petunia, Sanguna Light Blue	○	10-14in	Light Blue	Purple-blue flowers that lighten as they age, resulting in a pleasing variation of flower color over the plant.	✓	✓	✓		✓	✓	✓	✓
Petunia, Sanguna Plum Vein	○	10-14	Purple	Trailing habit. Early flowering. Large flowers bloom from center of plant as well as outside with very good branching.	✓	✓	✓		✓	✓	✓	✓

New Plant Name	Light	Height	Color	Description	Flowerbed	Containers	Hanging Basket	Cut Flowers	Fragrant	Butterfly	Hummingbird	Deer Resistant
Petunia, Sanguna Red	○	6-12in	Red	First rate branching creates pots that are covered with red blooms that are sure to attract attention. Great for hanging baskets, landscape beds and mixed containers.	✓	✓	✓		✓	✓	✓	✓
Petunia, Super. Bordeaux	○	5-7in	Purple	Deep purple veined flowers and perfectly shaped growing habit. Supertunia Bordeaux thrives in the heat and will continue to flower all summer long until the first frost.	✓	✓	✓		✓	✓	✓	✓
Petunia, Super. Citrus	○	6-10in	Medium Yellow	A unique petunia with a dark yellow center with light yellow edging. This vigorous petunia flowers all season. Fertilize often for best performance.	✓	✓	✓		✓	✓	✓	✓
Petunia, Super. Lavender Skies	○	6-10in	Lavender	Beautiful lavender-blue flowers almost shimmer in the sunlight.	✓	✓	✓		✓	✓	✓	✓
Petunia, Super. Mini Strawberry Pink Veined	○	4-8in	Strawberry Pink	Small strawberry-pink flowers with darker pink veins and throat. High feeders.	✓	✓	✓		✓	✓	✓	✓
Petunia, Super. Mini White	○	4-8in	White	Masses of small white flowers; self cleaning; heat & drought tolerant. High feeders.	✓	✓	✓		✓	✓	✓	✓
Petunia, Super. Raspberry Blast	○	6-10in	Pink	Unique rose-pink and white flowers abound on cascading foliage. High feeders.	✓	✓	✓		✓	✓	✓	✓
Petunia, Super. Royal Magenta	○	5-7in	Magenta	Large bright magenta flowers; heat and drought tolerant. High feeders.	✓	✓	✓		✓	✓	✓	✓
Petunia, Super. Royal Velvet	○	5-7in	Purple	Large, dark blue, velvet-like flowers; vigorous, long blooming, heat & drought tolerant. High feeders.	✓	✓	✓		✓	✓	✓	✓
Petunia, Super. Vista Bubblegum	○	16-20in	Pink	Bubblegum pink flowered plant grows larger than most petunias and casts a pink glow in the sun. High feeders.	✓	✓	✓		✓	✓	✓	✓
Petunia, Super. Vista Silverberry	○	16-24in	Silver-Light Pink	Vista Silverberry is a vigorous, mounding petunia that is perfect for landscape fillers. For best performance, fertilize often and it will continue to bloom until frost.	✓	✓	✓		✓	✓	✓	✓
Petunia, Supercal Neon Rose	○	10-14in	Hot Pink	SuperCal™ Petunia delivers the best characteristics of petunias and million bells: big vigor, loads of flower power, lush foliage and dependable performance. The vibrant rose colored flowers of Neon Rose cover lush foliage all summer. It exhibits strong vigor and excellent disease tolerance. Great for use in the landscape, containers and hanging baskets. Grows best in full to part sun.	✓	✓	✓		✓	✓	✓	✓

New Plant Name	Light	Height	Color	Description	Flowerbed	Containers	Hanging Basket	Cut Flowers	Fragrant	Butterfly	Hummingbird	Deer Resistant
 Petunia, Supercal Vanilla Blush	○	10-14in	Pink-Yellow	These amazing spreading plants are a must for baskets or tall pots. The beautiful petunia-like flowers are a unique combination of blush-pink and vanilla-cream, with butter-yellow, cinnamon-spotted throats.	✓	✓	✓		✓	✓	✓	✓
Petunia, Supercal Velvet	○	6-12in	Burgundy	Deep Burgundy flowers with a groundcover-like growth habit - a great trait that makes this plant an ideal semi-trailer for containers and hanging baskets.	✓	✓	✓		✓	✓	✓	✓
Plumbago Royal Cape	○	5ft	Deep Blue	Huge clusters of vivid, deep blue flowers cover this sprawling, densely mounded vine-like shrub most of the year.	✓	✓						
 Portulaca Maraca	○●	12-18in	Yellow	Unique in leaf shape and orientation, with bright yellow flowers during the warm season.	✓	✓						
 Portulaca Pazazz Red Flare	○	3-6in	Red	Vibrant red single blossoms on upright stems. Extremely floriferous. Heat and drought tolerant.	✓	✓	✓					
Portulaca Pazazz Vivid Yellow	○	5in	Yellow	Vibrant and intense color on very floriferous, moderately compact, and well-behaved plants. Vivid yellow is just that - Vivid Yellow with contrasting foliage.	✓	✓	✓					
Portulaca Sundial Fuchsia	○	4-6in	Fuchsia Red	Semi-double hot pink flowers, needle-like leaves; very drought tolerant; low feeders.	✓	✓						
Portulaca Sundial Mix	○	4-6in	Mix	Semi-double flowers in a vivid array of cream, fuchsia, gold, peppermint, orange, pink, scarlet, white and yellow on succulent low-spreading plants; low feeders.	✓	✓						
Portulaca Sundial Orange	○	4-6in	Orange	Semi-double flowers, succulent leaves; very drought tolerant; low feeders.	✓	✓						
Portulaca Sundial Peach	○	4-6in	Peach	Semi-double flowers, very drought tolerant; low feeders.								
Portulaca Sundial Pink	○	4-6in	Pink	Semi-double flowers, succulent leaves; very drought tolerant; low feeders.	✓	✓						
Portulaca Sundial Scarlet	○	4-6in	Red	Semi-double flowers, succulent leaves; very drought tolerant; low feeders.	✓	✓						
Portulaca Sundial Yellow	○	4-6in	Yellow	Semi-double flowers, succulent leaves; very drought tolerant; low feeders.	✓	✓						
Ptilotus Joey	○	12-18in	Pink	Large, conical spikes of feathery flowers. Super drought tolerant. Australian native. Blooms all summer.	✓	✓		✓		✓		✓

New Plant Name	Light	Height	Color	Description	Flowerbed	Containers	Hanging Basket	Cut Flowers	Fragrant	Butterfly	Hummingbird	Deer Resistant
Queen Ann's Lace	○	4ft	White	Queen Ann's Lace, also called "Wild Carrot," is a common plant in dry fields, ditches, and open areas. It was introduced from Europe. It blooms from May to October. Hardy to zone 5 or 6, where it can be invasive.	✓			✓		✓		
Rhodochiton	○	6-8in	Purple	Outstanding climbing or trailing container plant, the 'Purple Bell Vine' has striking blackish-purple flowers inside red-purple bells and heart-shaped, green leaves.	✓	✓	✓				✓	
Ricinus Castor Bean	○	4-5ft	Red	Bold and striking shrub-like plant with large maple-like leaves flushed red-purple; flowers are small, followed by showy red seed pods covered with soft prickles; all parts of plant are poisonous.	✓	✓						
Rose Kordana Kiss	○	24-30in	Dark Red	Flowers are small, cherry red, very double, and are about 2 inches in diameter. Disease resistant plants grow to 2' to 2 1/2' high. Full sun and evenly moist soil. To encourage new growth and blooms, trim often.	✓	✓				✓		
 Rose Kordana Lavender		24in	Lavender	Best lavender pot rose on the market, this repeat-blooming mini-standard produces abundant solitary double blooms of rich lavender. Reaching 1 1/3 inches across, they're very long-lasting in the garden and vase and contain 30 to 32 petals of excellent substance. They're ideal for growing in containers so they can be moved around to add a bit of sophistication and style wherever they're needed, even indoors as decorative table centerpieces. It's disease resistant and is clothed in glossy, dark green foliage all season long.	✓	✓				✓		
Rose Kordana Smart	○	24-30in	Pink	Flowers are a deep pink, double, and are about 2 inches in diameter. Plant grows to 2' to 2 1/2' high. Full sun and evenly moist soil. To encourage new growth and blooms, trim often.	✓	✓				✓		
Rose, Kordana Sunbeam	○	24-30in	Yellow	Flowers are small, bright yellow, double, and are about 2 inches in diameter. Mildew resistant plants grow to 2' to 2 1/2' high. Full sun and evenly moist soil. To encourage new growth and blooms, trim often.	✓	✓				✓		

New Plant Name	Light	Height	Color	Description	Flowerbed	Containers	Hanging Basket	Cut Flowers	Fragrant	Butterfly	Hummingbird	Deer Resistant
Rudbeckia Cappuccino	○●	18-20in	Bronze	Sumptuous dark coffee centers blend with warm shades of amber and ochre petals. This rudbeckia is as welcoming as a warm mug of cappuccino on a cool day. 2008 Fleuroselect Gold Medal winner.	✓	✓		✓		✓		
Rudbeckia Cherokee Sunset	○	20-24in	Mix	Double and semi-double 3-4" flowers in shades of yellow, orange, red, bronze and mahogany; some bicolor. AAS Winner. Zone 5-6, reseeds.	✓	✓		✓				
Rudbeckia Cherry Brandy	○	18-20in	Cherry Red	This is truly a break-through new color! Luscious cherry red shades ranging from solids to subtle bicolors. Creates drama in the flower border.	✓	✓		✓		✓	✓	
Rudbeckia Denver Daisy	○	18-20in	Yellow-Brown	Large masses of extra large golden flowers adorned with rusty red rings cover Denver Daisy from late spring until first frost. Strong, dense flower stems ensure that the plants will not flop or fall over in adverse weather conditions.	✓	✓		✓	✓	✓		
Rudbeckia Prairie Sun	○	22in	Yellow	A Gold Medal winner. Orange petals wash to yellow at the tips around green centers. Tall and robust and great for cutting.	✓	✓		✓		✓		
Rudbeckia Tiger Eye	○	16-24in	Golden Orange	Incredible display of long-lasting, semi-double golden blooms. These 18- to 24-inch plants make a strong statement over a wide range of conditions, weathering heat and humidity while offering reduced sensitivity to powdery mildew and requiring minimal care.	✓	✓		✓		✓	✓	✓
Salvia Black & Blue	○	24-36in	Black-Blue	Dark blue flowers with almost black sepals bloom until frost; attractive foliage is sweetly scented. High feeders.	✓	✓			✓	✓	✓	
Salvia Cathedral Deep Blue	○	14-18in	Blue	Nicely branched plants with spikes of deep blue flowers. High feeders.	✓	✓						
Salvia Farinacea Velocity Blue	○	12-16in	Blue	Velocity Salvia is a bushy, upright plant with intense, dark blue flower spikes. It makes an excellent plant for adding height to combination containers. It is the earliest flowering Salvia farinacea on the market. Outside it makes a great landscape plant for ground beds or mixed containers, especially when used with bright red or yellow annuals.	✓	✓		✓		✓	✓	✓
Salvia Farinacea Victoria	○	16-18in	Violet-Blue	Fast growing, upright, compact plants have bluish-green leaves & the deepest deep blue flower spikes. High feeders.	✓	✓			✓	✓	✓	✓

New Plant Name	Light	Height	Color	Description	Flowerbed	Containers	Hanging Basket	Cut Flowers	Fragrant	Butterfly	Hummingbird	Deer Resistant
Salvia Flare	○	14in	Bright Red	Vivid scarlet-red flower spikes contrast well against deep green foliage; heat tolerant. High feeders.	✓	✓				✓	✓	
Salvia Jedi Mix	○	10-12in	Mixed	Long, dense flower spikes, in purple, rose, red and white shades. Compact, early blooming plants. Use in beds, borders.	✓						✓	✓
 Salvia Mesa Scarlet	○	18-24in	Red	Salvia Mesa Scarlet offers scarlet red blooms that hummingbirds flock to. The 18-24 inch tall plants are vase-shaped in habit with aromatic foliage.	✓	✓			✓		✓	
Salvia Mojave Red	○	10"	Bright Red	Rich shade of red on compact plants.	✓			✓			✓	✓
Salvia Salsa Purple	○	12-14in	Purple	Full, bushy plants with beautiful tightly spaced purple flower spikes. High feeders.	✓	✓				✓	✓	
Scaevola Whirlwind Blue	○	8-12in	Dark blue	Non-stop dark blue flowers, attractive foliage, and better branching than other scaevola; heat & drought tolerant.		✓	✓					
Scaevola Whirlwind White	○	8-12in	White	Non-stop beautiful white flowers, attractive foliage, and better branching than other scaevola; heat & drought tolerant.		✓	✓					
Snapdragon Freesong Mix	○	14-18in	Mix	Semi-dwarf mix includes cherry, crimson, pink, scarlet, white, orange, and yellow.	✓	✓		✓	✓	✓	✓	
Snapdragon Rocket Mix	○	2.5ft	Mix	Mixed colors in vibrant shades of red, yellow, white and pink.	✓	✓		✓	✓	✓	✓	
Snapdragon Rocket Pink	○	2.5ft	Pink	Vigorous, heat-tolerant plants reach a uniform height and are topped by beautiful light pink, closely set blooms.	✓	✓		✓	✓	✓	✓	
Snapdragon Rocket Red	○	2.5ft	Red	Big, densely-packed plumes atop vigorous 2 1/2- to 3-foot plants, glowing with dark red flowers.	✓	✓		✓	✓	✓	✓	
Snapdragon Rocket Yellow/Gold	○	2.5ft	Yellow	Big, densely-packed plumes atop vigorous 2 1/2- to 3-foot plants, glowing with yellow flowers.	✓			✓	✓	✓	✓	
Snapdragon Twinny Peach	○	12in	Peach	The first double flowering snapdragon. A 2010 All American Winner. Grows to a 12 inch mound. Good cut flower.	✓	✓		✓	✓	✓	✓	
Solanum Jas. Variegated Potato Vine	○●	4-6ft	White	Variegated Potato Vine has bright yellow leaves with an irregular mid-green center. It forms a climbing or trailing vine and spills beautifully from a hanging basket. Small white flower clusters sporadically appear but the foliage is the real show-stopper. It is excellent in sun to shade planters outdoors, or grow in a sunny window indoors.	✓	✓	✓					

New Plant Name	Light	Height	Color	Description	Flowered	Containers	Hanging Basket	Cut Flowers	Fragrant	Butterfly	Hummingbird	Deer Resistant
Stocks Midget Mix	○	10-12in	Mix	Highly fragrant, frilly flowers in a mix of lavender, red, violet and white.	✓	✓		✓	✓			
Stocks Vintage Mix	○	15-20in	Mix	A profusion of unique bright flowers ranging in color from rose to lavender.	✓	✓		✓	✓			
Succulents	○	1-10in	Mix	Mix of shapes, sizes and colors, succulent foliage. Low feeders.	✓	✓						✓
☼ Tecoma Mayan Gold	○●	24-36in	Yellow	The flower is a large golden bell shape, hence the common name Yellow Bells. The foliage is a deep glossy green bringing an upscale, exotic look to beds and mixed containers.	✓	✓				✓	✓	
Thunbergia Lemon Star	○	3-5ft	Yellow	Black-eyed susan vine with dark eyes surrounded by clear, soft yellow.	✓	✓	✓				✓	
Thunbergia Orange Beauty	○	3-5ft	Orange	Notch-petaled flowers of golden orange are set off against deep green leaves.	✓	✓	✓				✓	
Thunbergia Susie Orange W/eye	○	3-5ft	Orange	Cheery vine sports masses of 1- to 1½-inch sunny yellow-gold petals and bold black eyes!	✓	✓	✓				✓	
Thunbergia White with Black Eye	○	6-8ft	White	White flowers with dark purple-brown centers cover this climbing vine. Great used in containers, trained on trellises, or in hanging baskets.	✓	✓	✓

Torenia Clown Rose	○	8-10in	Red	Rose-pink flowers with pale throat and bright yellow spot on 'lower lip'. Heat and shade tolerant.	✓	✓				✓		
Torenia Summer Wave Amethyst	●●	6-8in	Rich Purple	Amethyst-colored flowers all season; excellent heat tolerance; loves the shade.	✓	✓	✓				✓	✓
Torenia Summer Wave Lg. Silver	●●	6-10in	Violet-Lavender	Silvery-violet blossoms on vigorous trailing plants. Thrive in heat and tolerate dry soils. Perfect for shady beds or hanging baskets.	✓	✓	✓				✓	✓
Torenia Summer Wave Lg. Violet	●●	6-8in	Deep Violet	Violet-colored flowers bloom all season; heat tolerant; loves the shade.	✓	✓	✓				✓	✓

New Plant Name	Light	Height	Color	Description	Flowerbed	Containers	Hanging Basket	Cut Flowers	Fragrant	Butterfly	Hummingbird	Deer Resistant
Verbena Fuego Denim Blue	○	6-10in	Blue-Purple	This verbena features broad leaves, and a medium to vigorous trailing growth habit. The amazing blue color on large flower heads makes every mixed container and basket a hit. This heat-loving variety offers excellent outdoor performance.	✓	✓	✓					
Verbena Imagination	○	8-12in	Violet-Blue	Violet-blue flowers and spreading, lacy foliage renowned for dense, fast, drought- and heat-tolerant coverage.	✓	✓	✓					
🌸 Verbena Lanai Blue	○	10in	Blue	Verbena Lanai Blue has solid masses of color on spreading plants. Its trailing habit provides large, vivid blue blooms all season long. An attractive plant with glossy, mildew resistant leaves.	✓	✓	✓					
🌸 Verbena Lanai Blush White	○	6-12in	White	Lanai Blush White, has beautiful, butterfly-attracting, bright white flowers with pale yellow centers. It flowers early and is free flowering from tip to crown.	✓	✓	✓			✓		
🌸 Verbena Lanai Bright Eye	○	10-12in	Pink	Large blooms cover the plant in an array of color. Plants have a trailing growth habit and are very heat tolerant. Great for beds, hanging baskets, and mixed container plantings.	✓	✓	✓					
🌸 Verbena Lanai Dark Red	○	6-12in	Red	This verbena is simply just the best trailing red verbena on the market. Lanai Dark Red flowers early and is free flowering from tip to crown with repeat blooms. The dark red flowers make this verbena both unique and very striking. This plant is attractive to bees, butterflies, and birds. It blooms from mid spring through mid fall and requires a regular average watering.	✓	✓	✓			✓	✓	
🌸 Verbena Lanai Deep Pink	○	6-12in	Pink	An attention grabbing pink verbena that flowers early and is free flowering from tip to crown. Superior in powdery mildew resistance.	✓	✓	✓			✓		
Verbena Lanai Peach	○	6-10in	Peach	Delicious soft peach color with subtle hints of pink.	✓	✓	✓					
Verbena Lanai Purple Star	○	6-12in	Purple-White	This striking purple/white bicolor exhibits great powdery mildew resistance and drought tolerance.	✓	✓	✓			✓		
🌸 Verbena Lanai Royal Purple	○	6-10in	Purple	A deep purple flower early-flowering plant that is free flowering from tip to crown. This striking purple flower exhibits the same powdery mildew resistance as other Lanai® varieties.	✓	✓	✓			✓		

New Plant Name	Light	Height	Color	Description	Flowerbed	Containers	Hanging Basket	Cut Flowers	Fragrant	Butterfly	Hummingbird	Deer Resistant

Viola Penny Orange	○	4-6in	Orange	Bright orange. Hardy and heat tolerant.	✓	✓						
Viola Penny Orange Jump Up	○	4-6in	Orange-Maroon	Upper petals burgundy, lower petals orange. Hardy and heat tolerant.	✓	✓						
Viola Penny Peach Jump Up	○	6in	Violet-Peach	Gorgeous combination of violet and peach colored blooms.	✓	✓						

New Plant Name	Light	Height	Color	Description	Flowerbed	Containers	Hanging Basket	Cut Flowers	Fragrant	Butterfly	Hummingbird	Deer Resistant
Viola Penny Primrose Bicolor	○●	4-6in	Yellow-White	This series is more tolerant of summer heat and winter cold than the annual pansy types. Excellent for massing, edging, rock gardens, and in containers. Nice for combining with spring flowering bulbs.	✓	✓						
Viola Penny Red Blotch	○	6in	Maroon	Pale maroon with dark maroon blotch.	✓	✓						
Viola Sorbet Antique Shades	○	6-8in	Blue-White	Dainty 1-1/2" flowers open white, then gradually turn shades of blues. Extra tolerance to temperature extremes.	✓	✓						
Viola Sorbet Black Duet	○	6-8in	Purple-Black	Subtle & stunning. Bicolor deep purple with a black wing surrounding a striking yellow eye.	✓	✓						
Viola Sorbet Coconut Swirl	○	6-8in	White-Blue	Light cream colored blooms with a purple picotee edge.	✓	✓			✓			
Viola Sorbet Duet Mix	○	6-8in	Mix	Formula mixture of Sorbet Coconut Duet, Orange Duet, Black Duet and Purple Duet.	✓	✓						
Viola Sorbet Mix	○	6-8in	Mix	A wide range of colors, including unusual bicolors found in no other line of violas.	✓	✓						
Viola Sorbet Orange Duet	○	6-8in	Purple-Orange	Unique combination of a bright orange face and purple cap.	✓	✓			✓			
Viola Sorbet Peach Frost	○	6-8in	Peach-Orange	Creamy light peach and lavender shades.	✓	✓						
Viola Sorbet Plum Velvet	○	6-8in	Deep Purple	Velvety plum purple with light center.	✓	✓			✓			
Viola Sorbet Sunny Royal	○	6-8in	Yellow-Purple	Abundant and profuse yellow and purple blooms.	✓	✓						
Viola Tiger Eyes	○	8in	Yellow-Black	Rich golden-yellow blooms scored with dozens of inky black veins.	✓	✓			✓			
Viola Velour Dark Blue/bronze	○	4-6in	Blue-Bronze	Medium blue with unique bronze patina on lower petals that shimmers. Dark inner accent with yellow eye.	✓	✓						
Viola Velour Purple Wing	○	4-6in	Purple-Yellow	1" blooms in colors of purple and yellow bi-color.	✓	✓						
Violina Orange	○	6-10in	Orange	An abundance of bright orange blossoms; vigorous grower; very long blooming. Trails several feet in a container or hanging basket.	✓	✓	✓					
Violina Purple-Blue	○	6-10in	Purple	An abundance of dark purple blossoms; vigorous grower; very long blooming. Trails several feet in a container or hanging basket.	✓	✓	✓					
Violina Yellow	○	6-10in	Yellow	An abundance of bright yellow blossoms; vigorous grower; very long blooming. Trails several feet in a container or hanging basket.	✓	✓	✓					

New Plant Name	Light	Height	Color	Description	Flowerbed	Containers	Hanging Basket	Cut Flowers	Fragrant	Butterfly	Hummingbird	Deer Resistant
Zinnia Magellan	○	12-14in	Mix	Contains all 7 colors in this series: cherry, scarlet, orange, pink, yellow, ivory, and AAS-winning coral.	✓	✓		✓		✓	✓	
Zinnia Profusion Cherry	○	10-14in	Deep Pink	Cheerful, 2" daisy-formed blooms of brightest cherry-red tinged with pink.	✓	✓		✓		✓	✓	
Zinnia Profusion Double Cherry	○	12in	Cherry Red	The first double-flowered member of the Zinnia Profusion series, Double Cherry is ideal for mass plantings or containers. The bushy plants are simply smothered nonstop all season with cheerful, 2-inch daisy-formed blooms. The petals are bright cherry-red, and they arise in layers surrounding a bold, eye-catching central cone. Profusion is highly tolerant of mildew and other foliage diseases, and laughs at heat, humidity, and drought.	✓	✓		✓		✓	✓	
Zinnia Profusion Orange	○	10-14in	Yellow-Orange	2" daisy-formed blooms of vivid orange; drought tolerant & mildew resistant.	✓	✓		✓		✓	✓	
Zinnia Profusion White	○	10-14in	White	2" daisy-formed blooms of freshest white (with frilly yellow centers).	✓	✓		✓		✓	✓	
Zinnia Swizzle Scarlet & Yellow	○	10-12in	Red-Yellow	Giant 3- to 4" blooms completely cover the petite plants! The large inner circle of each bloom is radiant scarlet, tipped by a generous edging of gold.	✓			✓		✓	✓	
Zinnia Zahara Mix	○	12-16"	Mix	This disease-tolerant, heat-loving series of Zinnias has 20% larger flowers in stronger colors than previous varieties. Once established in the ground, drought-tolerant Zahara has very low water needs, making it an ideal crop for areas with watering restrictions. Mix includes coral rose, scarlet, white and yellow.	✓			✓		✓		✓
Zinnia Zahara Scarlet	○	12-18in	Red	The deepest red variety available. Bigger flowers on a disease-tolerant, heat-loving plant with very low water needs.	✓			✓		✓	✓	
Zinnia Zahara Yellow	○	12-15in	Yellow	Bright and sunny 2" yellow blooms erupt all summer on super-vigorous dwarf plants.	✓	✓		✓		✓	✓	
Zinnia Zowie	○	30-35in	Red-Orange	Several layers of bright petals surround a big red-and-yellow cone. When the petals open, they're bold magenta-pink with yellow tips, and the pink gradually turns to rich red. AAS winner 2006.	✓	✓		✓		✓	✓
