Abutilon Bella Mix	●	16in	Mix	Large and showy, bell-shaped flowers on compact plants. Primarily pastel colors. The light green, multi-lobed leaves are similar to the foliage of a maple tree.	✓	✓	✓					
✿ Abutilon Kristen's Pink	○●	12-16in	Soft Pink	A heavy bloomer with upright stature. Well-adapted to windowsills or summer container gardens. 3" soft pink bells, often open with a touch of salmon, then densely cluster on the tips of upright stems.	✓	✓			✓	✓		
Abutilon Firetail Pendula Red	●	4in	Scarlet red	Eyecatching and unique plant. Also called Chenille plant. Flowers resemble long furry 'tails'.			✓					
✿ Acalypha LaBamba	○●	18-36in		With multi-colored leaves, from bright gold to intense red to deep green, this bushy shrub will add an explosion of color to any garden setting.	✓	✓						
✿ Agastache Acapulco Orange	○	16-18in	Orange	A beautiful orange flowered selection with citrus-scented foliage. Continuous bloom on compact plants. Drought tolerant and deer resistant! The plant grows as wide as it is tall and is small enough to plant toward the front of the perennial border. It's also a great container plant.	✓	✓		✓	✓	✓	✓	✓
✿ Agastache Acapulco Rose	○	14-20in	Pink	A compact selection with fragrant, open spikes of tubular rose-pink flowers that appear from summer to fall. Upright stems are covered with lance-shaped, lemon-scented leaves. This low-maintenance, drought tolerant plant is an excellent choice for sunny mixed borders and hummingbird gardens and does well in containers.	✓	✓		✓	✓	✓	✓	✓
✿ Agastache Acapulco Salmon & Pink	○	14-20in	Orange-pink	A wonderful hybrid introduction to be enjoyed for its mint-scented foliage and profusion of bi-colored orange and pink tubular flowers. A continuous bloomer, use this smaller, nicely compact grower up toward the front of the border. Heat & drought tolerant.	✓	✓		✓	✓	✓	✓	✓
✿ Agave	○			Assorted sizes, forms and colors of agave. From blue-green to olive green, with white or red edges, 4" to 18" and everything in between. Can be used as a house plant as well.	✓	✓
