Annual Selection - 2025

Winter Greenhouse growing with you					Flowerbed	Containers	Hanging Basket	Cut Flowers	Fragrant	Butterfly	Hummingbird	Deer Resistant
New Plant Name	Light	Height	Color	Description	Ĕ	<u>ŏ</u>	Ϋ́	ರ	Ë	面	ヹ	۵
Ageratum, Monarch Magic) ·O	6-8in	Blue	A one-of-a-kind spreading floss flower that monarch butterflies can't resist! Vigorous, spreading habit is ideal for use in baskets and mixes. Drought tolerant. The habit is large and shrub-sized, with soft round edges that fill the space.	•	•	•	•		•	•	
Albuca, Frizzle Sizzle	0	12in		Albuca 'Frizzle Sizzle' is recognizable by its distinctive leaves, which are narrow, spiral tipped with glandular hairs. Its thick, tightly curled leaves on short stems arise from an underground bulb.		•						
Alocasia, Red Secret	()•●	12-18in		Stunning Alocasia with the new leaves a coppery-green color that mature to darker green metallic with maroon undersides. Great foliage plant!		•						
Alyssum, Wonderland Mixed	○•●	4in	Mix-Blue, Pink, Purple, Rose, White	A uniform blend of colors of dwarf plants with a vigorous spread. Attracts pollinators and is a treat for the nose and eyes. Bred to compliment each other in growth habit, earliness and color intensity.	•	•	•		•	•		•
Alyssum, Wonderland White	0	3-4in	White	Plant at edge of garden. Use in planters. Cut back to rejuvinate.	•	•			•	•		•
Ammi, Queen Ann's Lace	0	36-48in	White	A member of the carrot family. Queen Anne's lace is an outstanding cut-flower filler with delicate lacy blooms. A cold-tolerant wildflower. Ammi is also a good choice for attracting and supporting beneficial insects.	•			•		•		
Angelonia, Angelface Wedgewood Pink	0	18-36in	Pink	Use in combinations, window boxes and landscaping. Great long-lasting cut flowers with a slight grape soda fragrance. Try some in a flower arrangement this year and see for yourself!	•	•					•	
Aphelandra, Squarrosa White Wash	•	20-24in		With a unique white wash color of the leaves this Zebra plant is unusual not only for the coloring but also the fact that it does not flower. The veins of the leaf are white with green colors underneath and around it. Great houseplant.		•	•					
Argyranthemum, Aramis Red	0	10-12in	Red	Also known as a Marguerite Daisy, is a compact and prolific flowering Daisy that will bring absolute joy with an abundance of flowers for most of the year. This delightful variety shows off masses of deep pink to red flower.	•	•	•			•	•

Argyranthemum, Beauty Yellow	0.0	12in	Yellow	Offers a spectacular, non-stop display of bright yellow daisy-like flowers with a compact habit and superior branching. Clearing out old blooms encourages new blooms. Beauty Yellow is perfect for containers or garden beds. Attracting butterflies and bees	•	•				•	•
Argyranthemum, Pink Halo	0.0	20in	Pink	A mass of beautiful shell pink daisy flowers with harvest gold eyes and a hot pink ring at the ends of the stems. Blooms from mid spring to mid fall. Will be most effective when planted in groupings. The flowers are excellent for cutting.	•	•		•			
Asclepias, Silky Deep Red	0	36-48in		Eye-catching clusters of fragrant deep red flowers adorned with hoods of bright yellow that bloom from late spring into fall. A great source of nectar for butterflies, hummingbirds, and bees.							
Bacopa, Megacopa Blue	0	4-6in	Blue	Hundreds of beautiful flowers cover these trailing plants all season long. This new series of bacopa is notable for its well-branched habits, large flowers and improved heat performance. Largest flower size in the industry, with showy blooms that cover the plant.		•	•				
Bacopa, Megacopa Pink	0	4-6in	Bright Pink	Hundreds of cute, beautiful flowers cover these trailing plants all season long. Largest flowers in the industry with showy blooms.	•	•	•				
Bacopa, Megacopa Plum	0	4-6in	Plum	Large showy blooms with improved heat performance. Largest semi-trailing flower size of all bacopa's. Unique plum color. Use in baskets or containers.							
Bacopa, Megacopa White	●•○	10-12in	White	Trophy worthy variety has superior heat performance and the hundreds of self-cleaning flowers fill in the top and center better to provide a ball of color. The hundreds of white self-cleaning flowers trail over baskets, containers and window boxes. Terrific by itself or as an accent plant.		•	•				
Basil Everleaf, Thai Tower, Ocimum basilicum	0	24-36in	Upright columnar	This gorgeous basil plant has masses of green leaves with occasional purple flecks and soft purple stems that will brighten up any vegetable garden or mixed container. Its aromatic and vibrant licorice flavor complements any dish, especially Thai cuisine. Late-flowering habit means huge harvests of flavorful leaves throughout Summer.

New	V Plant Name	Light	Height	Color	Description	Ĕ	<u>ठ</u>	Ϋ́	ರ	Ë	面	ヹ	۵
\$	Basil Kitchen Minis Bonsai, Basil, Ocimum basilicum	0	6-12in	White; compact	A compact, fast growing, uniform, fine-leaf Greek basil. Smaller leaves mean no chopping is required for use in recipes.					•			
	Basil, Amazel, Ocimum basilicum PROVEN WINNER	0	24-30in	White- insignificant, seedless!	The first downy mildew resistant sweet basil. An amazing vigorous and tasty basil. For best flavor and leaf production harvest and or pinch regularly.					•			
	Basil, Copa Red-Green Shades, Ocimum basilicum	0	24-36in	Purple; dark foliage, lime edge	Annual herb native to India, commonly grown for culinary and ornamental use. This variety offers aromatic, dark red leaves edged in bright green on an upright habit of 24-30" tall and wide.					•			
	Basil, Dolce Fresca, Ocimum basilicum	0	10-12in	White; green fresh foliage	Dolce Fresca produces sweet tender leaves while maintaining an attractive, compact shape that's both versatile and beautiful. Use the leaves as you would any Genovese basil. After harvest, the plant is quick to recover and keep the desired ornamental shape that's perfect for containers, borders or as a focal point. Great for gardeners looking for drought tolerant, hearty plants, foodies interested in a new and better basil.					•			
	Basil, Everleaf Emerald Towers Basil, Ocimum basilicum	0	24-36in	White	Flowers up to 10 to 12 weeks later than standard basil. Well-branched variety with short internodes makes a beautiful columnar plant with huge harvest potential that stays tidy for many uses, including in-ground, container gardens and hydroponics. Trad					•			
	Basil, Pesto Perpetuo, Ocimum basilicum - Can overwinter indoors!	0	18-36in	Non flowering; variegated	This new variety of variegated Basil is both tasty and great as a seasonal extender. Bring it in and grow it on a cool window sill in as much sun as possible during the winter.					•	•		•
	Basil, Sweet Large Leaf, Ocimum basilicum	0	24in	White	The most popular basil. Has a sweet taste that is perfect for pesto and tomato dishes. Serve in salad or just on a sandwich.	•				•

Chervil, Anthriscus cerefolium	0	24in	White	Chervil's unique flavor earns it a place in every gourmet's kitchen. Along with tarragon, chives and parsley, chervil is a component of fines herbes, a blend indispensable to French cooking. Chervil stars in béarnaise sauce, a variation of hollandaise. Use the chopped leaves to enhance sole and other white fish, chicken, eggs and zucchini, as well as salads, sauces and soups. Its flavor is best fresh; if you plan to use it in cooked dishes, add it near the end of the cooking process.NON HARDY PERENNIAL HERB					•		•
Chlorophytum, Spider Plant Variegated	•	12-14in		This familiar favorite is a great accent in shadier hanging baskets. The variegated grassy foliage adds texture too!		•	•				
★ Chlorophytum, Starlight	1.	40in		With flowers that look like sparkling stars this new upright spider plant has lovely white, lily-shaped flowers with a yellow stripe. 'Starlight' flowers continuously from early summer to winter. It loves a spot in moist, fertile and well-drained soil in either full sun or partial shade. It looks gorgeous in a container on your balcony, patio or deck.		•					
Cilantro, Dwarf Lemon, Coriandrum sativum	0	16-18in	White; compact citrus flavor	Amazing, subtle citrus flavor adds a welcome twist to this ancient herb. There is no limit to the culinary potential! Compact plants and seeds are all very flavorsome.							
Cilantro, Santo, Coriandrum sativum	0	20in	White; slow to bolt	Cilantro Santo grows slow and steady, allowing you to keep harvesting leaves when others have already bolted to seed. Allow them to go to seed. Cut and dry the heads, harvesting the seeds and using them as the spice coriander. Coriander can be used whole or ground in curries and Oriental dishes.					•		•
Cissus, Climbing Begonia				Elongated heart-shaped leaves have striking variegation. Dark green with silver white in between the leaf veins. Underside of leaves are a deep burgundy wine color.		•	•				
Cleome, Arana Violeta	●•○	3ft	Violet	Deep green foliage and little violet/blue spider like flowers. Cleome are scented and attract butterflies and bees to the garden. It is also ideal for borders and containers and use it as a cut flower.							
Coleus, Campfire	1.0	18-24in		This one is on fire! Bright, eye-catching orange foliage for landscapes and patios. Stays vibrant in full sun and shade.	•	•

Euphorbia, Ascot Rainbow	○• 18-24in	Red	Foliage is edged in a yellow border that turns pink-peachy in colder months. Green and yellow bracts produce red blooms during the warmer months.	•	•						
Euphorbia, Diamond Mountain	○· ① 24-36in	White	Produces airy white flowers all season long. Great landscape performance and excellent for combining with other vigorous plants.	•	•						
Euphorbia, Euphoric	○· 12-18in	White	A tough, carefree plant that displays an endless supply of pure white flowers all summer long. Great for mixed combination planters and baskets because it mingles well with other plants. Heat loving and drought tolerant make it ideal for the landscape and	•	•	•					•
Evolvulus, Beach Bum	○ 6-8in	Blue	Has excellent branching, heat and drought tolerance, and a compact but spreading habit. Textured gray-green foliage, light blue flowers, and a prolific flower canopy.		•	•					•
Exacum, Jupiter Blue	● • ○ 4-6in	Blue Violet	Double blue blooms that work good as an indoor potted plant or outdoors in a protected, shaded area. Long lasting, tidy plants.	•	•			•			
Fennel, Bronze, Foeniculum vulgare 'Bronze'	○ 36in	Red-bronze foliage	With the same sweet licorice flavor as Sweet Fennel, Bronze Fennel can be used in place of Green Fennel in any recipe. The soft wispy leaves with their unique bronze color add a lot of visual interest in the flower or herb garden. With a height of almost four feet, its wide spreading grace makes it the perfect back of the border plant for cottage gardens. Flowers are left on the plant, these will turn brown and make fennel seeds. ESSENTIAL IN A BUTTERFLY GARDEN!					•

Fern:, Boston	•••	36in		Boston fern is relatively easy to grow indoors or out. They produce graceful arching branches covered with soft, emerald-green fronds. Indoors they can help to improve air quality by removing certain toxins.		•	•				
Fern:, Variegated Creten Brake	•	18-24in		Very decorative, easy to grow fern, with light green fronds, each having creamy-white bands down the center. Suitable as an indoor houseplant and in shaded garden positions.	•	•					
Fuchsia, Aretes Upright Diamond Mix	()•●	16-20in	Red, Purple Mix	This variety of Fuchsia is a compact, more petite variety with an upright habit. Attracts butterflies and hummingbirds to the garden!		•	•				D
Fuchsia, Bella Rosella	•	12in	Pink and White	One of the most dramatic fuchsias of all, producing a succession of large, double, pink/purple flowers with pale pink, reflexed sepals which reach to 4 inches across.	•	•	•		•	•	
Fuchsia, Blackie Giant											
Fuchsia, Blacky	•	18in	Deep Purple	Concealed within its buds of shocking pink is a petticoat of the deepest purple, enhanced by bright green foliage.	•	•	•		•	•	•
Fuchsia, Deep Purple	0.0	6-12in	White sepals over purple petals	Exquisite ruffles of rich purple petals contrast beautifully with the pure white outer sepals. Giant double blooms drip from naturally trailing stems. This Fuchsia is a real touch of luxury and ideal for your hanging baskets and containers!		•	•		•		•
Fuchsia, Dollar Princess	•	12in	Purple and Red	Small, double flowers with short tubes and broad, recurved cerise-crimson sepals; its petals are purple with red veins.	•	•	•		•	•	•
Fuchsia, Gartenmeister	0.0	12-36in	Red	This cultivar boasts single, long-tubed, brick red flowers and dark bronze-red leaves and stems. It tolerates the heat of summer better than other fuchsias.	•	•					
Fuchsia, Gillian Althea	••	12-24in	Deep pink sepals over dbl lilac petals	Fuchsia's dangling blooms are well-loved by gardeners and hummingbirds. They brings grace, color and and a touch of old-fashioned charm to the garden. Growth habits from upright to trailing make it easy to find a Fuchsia suited to baskets, beds or containers.		•	•				D
Fuchsia, Marinka	()•●	4-8in	Pink	Trailing fuchsias are excellent in hanging baskets and containers. 'Marinka' is a particularly fine variety, which produces masses of bright red flowers over a long period from summer to the first frosts in autumn.		•	•				•

New Plant Name	Light H		Color	Description			Ĭ	ರ	Ţ.	面	Ĭ	<u>م</u>
Ipomoea, Sweet Caroline Red Hawk	○.● 6	6-16in		Great foliage component plant in combinations; excellent heat tolerance and good vigor. Works great in landscapes as an annual ground cover for sun or shade. Colors are deeper and brighter in full sun.	•	•	•					
Isotoma, Bottle Rocket Blue	○•① 6	6-8in	Blue	Has bright, star-shapped blooms on upright-mounding plants that will bloom all summer long. Naturally heat and drought tolerant, these plants are exceptional in the ground, in small pots, or in combination with other summer-loving annuals.	•	•	•					
	○ €	6-12in	Purple	Jamesbrittenia is a relative of Bacopa that can be used in many of the same applications. However, since it is far more heat and humidity tolerant, it continues to bloom well throughout the warm summer months. It is also more forgiving than Bacopa when subject to extreme weather events, holding onto its blooms through heavy rains and windstorms.		•	•					•
Jamesbrittania, Stardom Goldstar	○•① 6	6-8in	Yellow	With its buttery and creamy color combination, this little gem glows like a pot-o-gold. Shades of yellow vary from one flower to the next, but they all have a rusty-orange center to unite them. Tons of lovely one-inch flowers adorn this little plant.	•	•	•					
Jamesbrittenia, Jammin Pink												
Juncus, Blue Arrows	○•① 3	36in		Stiff, upright, blue-green foliage is well-suited to annual bedding and mixed containers. Heat tolerant in a wide range of environments. Can be grown as a pond plant and drought tolerant when grown in-ground. Also makes a great indoor plant.		•	•					•
Lantana, Bandana Black Cherry	0 2	21in	Orange, Red, Yellow	Colorful flowers on heat tolerant plants. Blooms all summer and is excellent for hanging baskets and patio containers.	•	•	•		•			
Lantana, Bandana Cherry Sunrise	0 1	12-18in	Pink-orange	Large, densely packed flowers change color as they age; compact habit; heat tolerant.	•	•	•		•	•	•	•
Lantana, Bandana Rose	0 2	20-26in	Yellow-Pink	Yellow blossoms mature to rose. Plants are very well-branched with a nice, uniform, mounding habit and offer significantly larger flowers than traditional Lantana varieties.	•	•	•		•	•	•	•
Lantana, Bandolista Mango												
Lantana, Bandolista Pineapple

Lantana, Bandolista Red Chili												
Lantana, Bloomify Rose	0	12-14in	Rosy Pink with Yellow, Peachy- pink	Medium mounded Lantana keeps a nice shape in the landscape. Continuous flowering throughout the season. Attractive foliage topped with vividly colored flowers. Completely sterile, so it will not go out of flower in the heat of summer.	•	•			•	•	•	
Lantana, Hot Blooded	0	15-18in	Red, Yellow	A non-stop show of hot red flower clusters throughout the heat of summer. The sterile blooms allow it to focus its energy on prolific blooming, making it a good choice for containers, mass plantings, and borders.	•	•	•			•	•	
Lantana, Passion Fruit	0	12-16in	Pink-Orange	A standalone variety that never cycles out of flower. It has a trailing, spreading habit with dark green foliage and abundant flowers. Perfect for hanging baskets and works well in landscapes.	•	•	•					
Larkspur, Imperial Regal Mix	0	3-4ft		Tall spikes of double flowers in beautiful shades of blue, violet, rose, red, lavender, salmon, pink and white fill your garden in late spring and summer. Great cutflower.								
Leptinella, Platt's Black	••	3in		Finely-cut lacy foliage resembles tiny ferns. An attractive spreading mat for groundcover or in between stepping stones. Tolerates light foot traffic.	•							
Lobelia, Deep Blue w/eye												
Lobelia, Hot Blue with Eye	0.0	8-12in	Deep Violet, White Eye	Season-long flowering, large flowers on uniform plants. Exceptional heat tolerance. Good for containers, mass plantings and hanging baskets.	•	•	•					
Lobelia, Hot Waterblue	0.0	8-12in	Sky Blue	Lovely cascading habit with sky blue flowers. Unlike standard types of lobelia, Hot Waterblue exhibits a stronger tolerance for heat. They will survive the summer with masses of blooms and last until the first frost. Excellent for hanging baskets, mixed	•	•	•					•
Lobelia, Hot+ Blue Eye	0.0	8-12in	Blue/White	Exceptional heat tolerances, heavy basal branching, and season-long flowering, adds larger flowers and more uniform habit.	•	•	•

New Plant Name		Height	Color	Description	_		ヹ	ರ	Ē	面	ヹ	ے
Viola, Sorbet Lemon Ice Blotch	0.0	4-5in	Yellow and White	This viola will brighten up any landscape or container. The defined dark blotch or face, give the effect of a cute miniature pansy. These vigorous flowers will just keep coming and coming.	•	•						
Viola, Sorbet Mix	0	6-8in	Mix	A wide range of colors, including unusual bi-colors found in no other line of violas.	•	•						
Viola, Sorbet Pink Halo	0.0	6-8in	White and Pink	These compact, mound-shaped 6 inch plants produce an abundance of 1 inch flowers that are white with flaring hot pink around the face. Flowers are fragrant.	•	•			•			•
Viola, Sorbet Raspberry Sundae Mix	0.0	6-8in	Mixed	Violas can't be beat for bringing cool season color to garden beds, patio containers and baskets. A wonderful designer and eye-catching mix of colors.	•	•	•					
Viola, Sorbet Ruby and Gold Babyface	0.0	6-8in	Maroon and Gold	Deep ruby-red blooms with a golden yellow 'babyface' cover the deep green foliage all summer.	•	•			•			•
Viola, Sorbet Yellow Beacon												
Viola, Tiger Eye Mix	○.●	6in		A petite 6 inch plant accompanied by blazing golden yellow flowers with black vein-like loops radiating from a black center. Flowers are 1-2 inches in diameter.	•	•	•					
Zinnia, Benary's Giant Mix	0	36-40in		Long-lasting standouts in bouquets. Cut-and-come-again flower, yielding multiple cuts over the season the most widely grown cut flower because of their huge 6" gorgeous blooms!	•			•				
Zinnia, Holi Pink	0	6-8in	Pink	2020 AAS Flower Winner! Vibrant pink blooms that resist fading. Bred to keep producing fresh, colorful blooms all season long. Heat, humidity and drought tolerant.	•	•				•	•	
🕏 Zinnia, Oklahoma Salmon	0	30-40in	Salmon	A wonderful mix of salmon and peach that makes for a versatile flower that combines well with other colors. Double and semi-doubles. These petite, yet sturdy, blooms make excellent cut flowers.				•				•
Zinnia, Profusion Double Cherry	0	12in	Cherry Red	The first double-flowered member of the Zinnia Profusion series, Double Cherry is ideal for mass plantings or containers. The bushy plants are simply smothered nonstop all season with cheerful, 2-inch daisy-formed blooms. The petals are bright cherry-red,	•	•		•		•	•

New	growing with you Plant Name	Light	Height	Color	Description	Flowerbed	Containers	Hanging Ba	Cut Flowers	Fragrant	Butterfly	Hummingbir	Deer Resista
	Zinnia, Profusion Red	0	12in	Red	Vibrant, perfectly true red color on this Zinnia which does not fade from intense rays of summer. Easy to grow and a favorite of pollinators.		•		•		•	•	
	Zinnia, Profusion Red Yellow Bicolor			Red Yellow Bicolor	2021 AAS Winner! Flowers start with a bold red center surrounded by golden-yellow outer petals. Aging flowers turn into soft shades of salmon, apricot and dusty rose. Beautiful colors all from one variety.								
•	Zinnia, Queeny Lime Orange	0	30-40in	Apricot	Sporting lovely, large, dahlia-like blooms on a sturdy, compact plant. The unique color evolves from dark coral/peach/orange to a light peach with a dark center as the flowers age. This AAS Winner is also perfect for cut flower gardens as each uniform plant produces prolific deeply fluted blooms that last about 3 weeks without preservatives or feed.					•			
*	Zinnia, Swizzle Scarlet & Cream	0	12in	Scarlet & white	Fantastic for cutting, these flowers also make a huge impression in the garden because they are so low to the ground and produce loads of flowers on neat little plants.				•				•
	Zinnia, Swizzle Scarlet & Yellow	0	10-12in	Red and Yellow	Giant 3 to 4 inch blooms completely cover the petite plants! The large inner circle of each bloom is radiant scarlet, tipped by a generous edging of gold.	•	•		•		•	•	
	Zinnia, Zahara Double Raspberry Ripple	0	16-20in	Pink Shades with White	Color varies under different environmental conditions. Cooler temperatures accentuate the rose; as flowers age and under more heat, the white comes out more.	•	•				•		
	Zinnia, Zahara Fire	0	12-18in	Scarlet Orange	A Zinnia with superior disease and drought tolerance. Vigorous and topped with scarlet orange flowers that turn a lighter shade as flowers age. Long season display creates an amber glowing carpet.	•	•		•		•		•
	Zinnia, Zahara Mix	0	12-16in	Mix	This all-new disease-tolerant, heat-loving series of Zinnias has 20% larger flowers in stronger colours than previous varieties. Once established in the ground, drought-tolerant Zahara has very low water needs, making it an ideal crop for areas with watering restrictions. Zahara is an all-around winner that promises care-free season-long shows with lots of color.	•			•		•		•
